June 22, 2023

Dear Sponsor/Prospective Sponsor:

The Follow Me into Business Program provides leadership skills, job training skills, workshops, internships and summer jobs for eligible students and community service activities for program participants ages 12-18. Participants meet weekly during the months of June and July and are mentored by the program coordinator and business leaders in the Jackson Madison County area. In July 2023, JMCAACC will offer a Science, Technology, Engineering, and Mathematics (STEM) program to students ages 12-18. This year's registration includes students between the ages of 12-16 who will master projects ranging from creating a rubber band helicopter to a hydraulic bridge.

The Celebrity Golf Classic is a fundraiser for these programs. Our 12<sup>th</sup> annual event will be held at Bent Tree Golf Course on **Tuesday, September 12, 2023**. Celebrity golfers and business leaders will spend the morning of golf with lively conversation where there is both fun and the exchange of business ideas. Funds raised by the event cover the administrative and operational cost of the programs, marketing, instructors and program coordinators, refreshments, supplies, and participant stipends.

Thanks to a grant from LyondellBasell the JMCAACC has created a scholarship program for the Follow me into Business program. The scholarship program allows students, ages 16-18, to submit a written essay on the value and importance of small businesses in our community. The essay must be at least 600 words and site examples of how small businesses are specifically relevant to the student's experience and have provided a valuable service to his or her community. The winning student receives a \$500 cash prize. Two finalists receive \$250 each. These cash prizes are given out at the Celebrity Golf classic event.

Your support of this event would be very much appreciated. If you have been a sponsor of this event in the past, we ask that you contribute at your previous level, however, we will welcome any level of participation you are able to give. We also welcome new sponsorship at this year's event.

Registration material for this event is attached and we would be more than happy to answer any of your questions. We invite you to help make dreams continue to come true.

Thank you.
