Regular schedule Saturday, May 4

Tomorrow, Tuesday 4/30 from 5-7 pm in Spotswood, we will have counselors from Rutgers Traumatic Loss Coalition to help everyone (kids, students, staff and parents) learn some coping skills and remember Connor. This is open to all Fastkix family-past and current. Come as you are, no uniform needed. Come for part or all of the session. There will be supplies on hand to write a card or remembrance of Connor that we will give to his family, and we will have handouts for parents to help our kids as the process this loss. We hope that you will all find a few minutes to come by tomorrow evening.

Regular schedule resumes on Wednesday.

In loving memory of Connor Corcoran

Our Fastkix family is devastated at the loss of Connor. He joined Fastkix Taekwondo when he was 6 and has been a huge part of our Fastkix family since his first day. He earned his 3rd Degree Black Belt, was a longtime member of our Competition Team, and two years ago joined our staff as an instructor. Most recently, he was also the assistant Competition Team coach. He was a gifted athlete, supportive teammate, fierce competitor, incredible coach and beloved friend whose smile lit up the room. To see Connor in action was truly a gift to behold and all of our students adored him. His passion for martial arts made Fastkix the special place that it is and his presence will be irreplaceable. Tragically, Connor passed away on Tuesday, April 23rd, and we are all heartbroken.

Connor's family has graciously asked for memorial contributions to be made to Fastkix Taekwondo to help parents of children in need of mentoring. This might be in the form of a scholarship toward membership or competition fees, an award toward the cost of gear, grief counseling to help cope with Connor's loss, or possible some other type of ongoing financial award to honor Connor's memory. We are still working on the details of this to find the most fitting way to honor Connor's contributions to so many people's lives.

Obituary:

SPOTSWOOD – CONNOR JAMES MICHAEL CORCORAN passed away on Tuesday, April 23, 2024 in Brooklyn, New York. He was 18 years old.

Born in New Brunswick to Michael Corcoran and Clavell Phillip, he has been a resident of Spotswood his entire life. Connor was a 2023 graduate of Spotswood High School. Connor was also a student at Fastkix Taekwondo school in Spotswood for 12 years and for the last 2 years was employed as an instructor at Fastkix. Teaching and mentoring many young people at their wonderful facility. We would be remiss if we didn't acknowledge the good work they do along with the taekwondo community at large. He made us all proud of his commitment to physical fitness. Within the past year, he also became a member at Strategic Martial Arts Academy in Sayreville. Connor was never one to brag about his ability and skills. He was always humble and willing to help anyone in need. His other interests were hanging around with his peers, video games, creating his own music and any outdoor activity.

Surviving are his parents, Michael Corcoran and Clavell Phillip, both of Spotswood; his sister, Anjelique Phillip; and many aunts, uncles and cousins who all cherished him.

Family and friends may visit on Sunday, April 28, 2024, from 3:00 to 6:00 pm, at The BRUNSWICK MEMORIAL HOME, 454 Cranbury Road, East Brunswick, NJ.

A graveside service will be held on Monday, April 29, 2024, at 10:00 am, at Chestnut Hill Cemetery, East Brunswick.

Memorial contributions may be made to Fastkix Taekwondo to help parents of children in need of mentoring.

COLOR BELT TESTING PARENT FEEDBACK

VIVAAN GUPTA

Vivaan takes pride in learning taekwondo. Over the years, he has learned the importance of sharing and guiding. At school his teachers are thankful for the support he has been to them. He loves sharing with and guiding his fellow classmates. He aspires to be taekwondo instructor, following footsteps of his seniors. We want to thank all the instructor.

LILIAN ZANKO

Lily has become more confident as I see her sparring with boys who are bigger than she and really listening to the feedback from her instructors. At home Lily is more attentive to completing her chores and is always willing to help with her sister. Lily enjoys coming to class because she likes learning new kicks and forms. Lily always likes to see Mr. JT and finds his instruction very easy to understand.

AVYAN MATHUR

Avyan started showing interest in house chores which definitely was much needed. And he now finishes his school work as well without a reminder, so Mom can't be more happy!

ZACHARY MADNICK

Taekwondo gives Zachary a sense of accomplishment and confidence that he can do well if he works hard. However, Zachary still had a lot of work to do on talking respectfully to his parents and doing his chores (homework, bedtime, etc.) after the first time he's told not the 10th time. He also needs to work on getting himself ready to be at Taekwondo class on time every Monday and Thursday.

JOEY GIGLIO

Taekwondo helps Joeys confidence! Honestly all the staff members go above and beyond to help Joey! He has learned so much.

ROBERT D'AMODIO

Robbie loves coming to Taekwondo and seeing his best friends, the friends he made and all the staff. He has been studying harder in school and all of his grades have gone up a great amount this last marking period. It's a pleasure to see him so happy doing what he enjoys to do so much. Robbie displays more confidence because of Taekwondo. He is looking forward to participating in being a mentor and Jr. instructor when he is eligible to do so.

We love you Robbie & super proud of you... Keep up the amazing work you're doing!!!

Miss Isabella helps Robbie feel more confident and has been helping him grow in everything he needs to know.

PRIT GHEEWALA

Prit has shown improvement with self control, concentration and attention. He demonstrated improvement with strength which helped with his confidence.

RITVIK TUTEJA

Taekwondo is liked by both my kids for forms, exercise and games. We want to give a shout-out to Master Charles.

FATIMA ZAHRA

Taekwondo has helped her improve her strength and stamina. We are grateful for Miss Isabella because I feel my daughter feels comfortable with her.

ASHER TA

He loves taekwondo and has made lots of new friends. Taekwondo has helped him open up and come out of his shell more. He used to be more quiet and timid, and would always follow his brother and his brothers friends. At taekwondo I have seen him make his own friends and be willing to talk with kids. Master Charles has done an amazing job and boosting Asher's confidence. Even though Asher is tiny, he is mighty and I think master Charles has really seen the potential in Asher despite his petite size and encourages him especially in sparring.

PRAGATHI SAI

Taekwondo has made a HUGE impact on pragathi over the years she has become more stronger and independent. Ms.Isabella is soo nice and has been training my daughter in a very gentle way her smile lights up Pragathi.

NIKO MOUSOUROULIS

I think taekwondo has helped with his self confidence. Master Charles has been such an incredible role model and has been there for Niko in regards to Tae Kwon do but also personally. He is very supportive and I am so grateful that Niko feels comfortable talking to him about anything that is bothering him. He has helped Niko in so many ways and I am forever grateful he has him in his life!

JACOB VAN WAGNER

Jake, it has been wonderful to see how you have matured and how seriously you are taking your lessons at Fastkix and school.

JACKSON TIRADO

Jackson has matured since he first stepped foot in Fastkix in early 2022 and is showing maturity very rare of someone so young. I attribute it to his dedication to his practice and his lessons in focus. He is also learning how to complete what he starts, and understands how far he has come. Congratulations Jackson! We are so proud of you! Everyone is doing a great job!

DYLAN ESKOW

Dylan has shown increased confidence and responsibility. We'd like to thank the Fastkix instructors who have been giving Dylan the confidence to face any challenge.

RICHARD SAMUEL

I've seen a lot of improvement in Richard this past year. He strives to be kind and giving and is much better at following directions. He is also less shy and has become a lot more open with classmate. The entire team has done a great job with both my kids. I can't thank them enough.

EMIL & MURAD AZIMLI

They became more energetic and active. Before they started to Taekwondo they used to be tired after school. But now they are more energetic than before. All staff members are excellent. My kids loves all of them. So that's why we try to come every day and it doesn't matter which Master is there. Thank to to everyone!

JADE SERRA

Miss Isabella deserves a shout out for her motivation, good humor and my daughter Jade admires her very much and I do too!

Master Sue deserves a thank you from Jade and the entire Serra family for always going above and beyond in every possible area. Jade says you are always there for her! Mr. Balon always cheers my daughter up and is a funny, positive role model.

Mr. Charles has been there with Jade since her very first day and while he runs an entire class he somehow finds the time to help and work individually with each student, help improve their skill set and tells it like it is. He is an outstanding teacher and is persistent with Jade as well as other students until they accomplish their goal. Master Nick is a wonderful teacher. His skill, talent, dedication and positive reinforcement is just amazing and it's easy to see how he helps my daughter attempt to reach her full potential. The young assistants (Mr. Aaron, Mr. JT and Mr. Connor) always manage to keep Jade on task and make class fun. You can tell they are hard workers and are extremely patient with my daughter as well as their students.

Thank you to the entire staff for promoting strength, grit, speaking up, respect, self defense, confidence and knowledge. We appreciate all you do. We are lucky to be a part of the Fastkix family. Jade, We are so proud of you. When you think you can't do it, you do it. You have grown in strength, self confidence, skill and experience. You have improved with each week, class, month and year. As I watch your kicks, punches, forms, techniques, exercises and drills I am extremely impressed. I don't think I tell you that enough but it is very true. I know I don't watch as much as I should at your classes but when I do I am truly amazed by you. Keep up the excellent work, stay strong, stay safe stay respectful and know that we love you and couldn't not be any more prouder than you than we are! Love, Mom, Dad, Jason and Jaxon

She likes him, because she thinks he is very kind and makes learning fun. He makes everyone laugh and keeps encouraging everyone. Kudos to him!!

She is always sticking up for her friends and any injustice she sees. She is learning to be more vocal at school amongst peers when she is being mistreated or sees someone else being mistreated. She is getting better at choosing her words wisely and expressing her feelings when she feels hurt. We are very proud of our Paigey! Thank you Charles and Aaron and the rest of the Fastkix instructors for making taekwondo something our girls truly look forward to each class! It has been amazing to watch Ellianna set her mind to something and accomplish it. We only recently started attending Wednesdays with Coach Nick and I really love his interactions with the kids, how he breaks down the Chon-Ji so that the kids can follow it and I love the conditioning skills he has the kids do at the start of class! They are working very hard but so many giggles along the way. Awesome to see as a parent!

XAVIER JOHNSTON

Xavier continues to show great enthusiasm and confidence in school. We are so proud to hear the feedback from his teachers - that he is a natural leader and kind friend to all in class. We truly think he gains so much from being a part of the Fastkix family. There was a great recent story I can share from his computer class. Xavier and a friend noticed the teacher was struggling trying to carry a bunch of laptops at the start of class. Without any hesitation Xavier and his friend were the first ones to stand up and assist the teacher. When Xavier notices someone in need of help he's always willing to lend a hand. Everyone from the Fastkix staff always encourages and is so kind to Xavier and his peers. He always feels so energized after a practice and he continues to push himself.
