

Government of the District of Columbia

Department of Transportation

March 21, 2024

Dear Residents/ANCs/Businesses,

The District Department of Transportation (DDOT) is scheduled to begin roadway maintenance work which includes concrete work on **Wisconsin Avenue NW from Warren Street NW to Windom Place NW** starting on or about **Monday, March 25, 2024**, weather permitting. The roadway project is anticipated to be completed by **Friday, April 5, 2024**. Temporary lane closures are to be expected with one travel lane remaining open.

The contractor is authorized to work Monday through Friday, (daytime) from 9:30 a.m. to 3:30 p.m. The contractor may work Saturdays (daytime) with prior DDOT approval.

Adjacent curbside parking may be restricted during the repair work. If so, parking signs will be posted at least 72 hours in advance at locations where parking will be restricted. The emergency “NO PARKING” signs will provide details of the hours of construction operations, dates, duration of the work, and information on the engineer in charge.

Traffic control devices will be in place to warn pedestrians, cyclists, and drivers approaching the work zone(s). Drivers are advised to stay alert while traveling near the work locations, be prepared for possible detours, and be observant of the work zone. Cyclists should be prepared to adjust their route accordingly. Metro bus will continue their routes. Flaggers will be available to manage traffic and arrow boards will be utilized, as necessary.

Thank you for your patience and understanding during the repair work. Should you have any questions or concerns, please contact the project Engineer at the information below.

Sincerely,

Victor Nwabueze

Project Engineer

m. 202.369.9851
