

Annual Membership Drive

LORNA needs your support

Congratulations LORNA, we are now in our TWELTH year! WOW!! Thanks to our community efforts, we consistently rank among the safest neighborhoods in Salinas to live in. We have been incredibly successful in achieving our mission promoting quality of life and safety in our neighborhood. May we all enjoy the years to come, improving on what we have started and enjoying the benefits of coming together in our Los Olivos-Riker Neighborhood Association.

2023 is going to be an epic year! We have plans to install a "Little Library." We also have plans to install some additional street signage demarking our LORNA "neighborhood." We will have our annual "Pizza Throw Down" Sunday, July 30th and our National Night Out celebration August 1st. If you would like to get involved, please feel free to contact our President Ashley Goldbeck at <u>ashgo87@gmail.com</u>

We are continuing our Neighborhood Beautification with tree plantings. To date, with the diligence and hard work of our neighbor, Dana Barnebey, the City of Salinas has planted over 200 trees on our streets with more to be planted in a few weeks! If you would like to have a tree planted on your parking strip, please contact Dana at <u>danabarnebey@gmail.com</u>

We will soon be planning our Annual Neighborhood Yard Sale Saturday, June 24th 8AM – 2PM. We have received terrific feedback that we should continue supporting a "Neighborhood-Wide" event. Under this arrangement, we will promote the event and it will be up to each home owner to conduct their own yard sale. Last year, we had over 50 participate! Those participating are encouraged to get a permit from the City for \$13.75. You have to fill out an application and deliver it with payment to the finance desk at 65 W. Alisal. You can find out more information here: <u>https://www.cityofsalinas.org/our-city-services/finance/garage-sale-permits</u> or just search "City of Salinas Garage Sale Permit" on Google. Mr. McShane is working on making this process easier! We will set up a LORNA outreach tent at around 7AM at the corner of Coleridge and Riker with donuts and hot coffee. You are invited to volunteer. If interested, please contact Steve McShane at (831) 970-4141 or <u>steve@mcshaneslandscape.com</u>. Please check in on our Facebook page, Los Olivos Riker Neighborhood Association, to find out more as we get closer.

We are 100% volunteer run and our activities are not possible without your support, which is why we are asking for your help again this year. <u>*Please consider sending your annual donation to your neighborhood association*</u>

Please take the time to support LORNA by completing the form on the other side and mailing it in the attached envelope. Should you have any questions, feel free to contact our President Ashley Goldbeck at ashgo87@gmail.com

This is how we do it on the South Side!

Annual LORNA President's Membership Appeal - March, 2023

Hello Lorna Neighbors

This is a great neighborhood to live in, and convenient for many of us to do shopping. We can walk to places such as Doctors on Duty, grocery stores, restaurants, and not to mention three pharmacies. I walk as often as I can to some of these nearby places, however, now that the rainy season is here, and with the beautiful rain coming down, we need to be extra careful. I am reaching out to you, to help keep our neighborhood safe. While driving, please be watchful of pedestrians, bike riders and family pets. Please pay attention to the newer "No right turn on RED "signs posted on Riker and Blanco (both sides). Let us work together and protect our family, friends and neighbors when approaching the stop lights. (There have been too many accidents).

With daylight savings time, we have longer days and some of the evening parties get late and loud, and I love to celebrate too! However, lets be respectful of the late-night music and lower it down at 10pm. (Salinas ordinance is 10 pm to 7am.)

If we work together, we continue to keep our neighborhood safe, clean, and vibrant!

Have a great time as we approach the summer, and time off. Please be safe!

- President Ashley Goldbeck / ashgo87@gmail.com
