

## **Pick Up Routes Guide**

For your convenience, we have included the table below to enable you to work out your indicted pick up time. The pick-up time, as always, will be on your ticket. To work out your pick up time, take the brochure time for the trip/tour you're interested in and have a look at the Route the coach will take, A (towards M3) or B (towards M20). You can then add/subtract the number of minutes indicated in the table for the relevant route to give you an indicated pick-up time. Also indicated are the coach transfer points to meet the main coach (#) and the scheduled last pick up point prior to this (\*). Bus stops are used where possible, unless stated.
