Who is Ric Orlando

After 25 years as the Upstate region's favorite chef, Ric now owns the Ric Orlando's Best- a brand of creative seasonings and condiments. His 6 seasoning blends are the exact recipes used in his award winning New World Restaurants and his Hot Sauces and BBQ Sauces are his special unique blends with a devoted following.

Groundbreaker, still breaking ground

Ric Orlando has been called the Pioneer of Hudson Valley Farm to Table. Since 1989 when he left NYC for the Hudson Valley. Ric's tireless work in promoting the farms, products, people, and beauty of the Upstate NY region combined with his quirky sense of humor and rock and roll pedigree has made him one of the leading culinary spokespeople and best foodie draws for events, fundraisers and festivals.
