Wisconsin Sports Distributors has proved, by numerous case histories, that dealers who have sufficient display units, have the best selling record because the consumer wants to "see" the product he is about to buy and compare it - before making his final selection. Therefore Wisconsin Sports Distributors has formed the following:

1. Minimum Dealer stock:
 - a. BOA-SKI Snowmobiles.....4 Units
 - b. Alsport/Steen Sport Cycles..4 Units
 - c. Alsport Tri-Sport.....4 Units
2. Mutually agreed annual sales quota per product line, which the dealer will make every reasonable effort to meet or exceed. Based on agreed quotas, Distributor will attempt to carry sufficient stock of units to make prompt delivery to meet dealer commitment.

The basis for dealer quotas will be careful analysis of the Dealer's franchised territory, with regard to spendable income, market condition, consumer spending habits, etc. The quota will be fixed at 80% of the reasonably expected sales potential of the Dealer's franchised territory in order to make it easy for all dealers to meet and exceed this sales objective. If a dealer consistently falls below his expected sales performance, the Distributor (Wisconsin Sports Distributors) holds the option of terminating such a dealer and seeking another to better serve the product line effected.

2. No merchandise can be returned without written permission from the Wisconsin Sports Parts Department. There will be a 15% restocking charge on all returned parts.

3. Merchandise returned without written permission will be returned to the dealer, freight collect.

4. 5% - 10 days, 30 days net. All past due invoices, 60 days or over, will be charged a 1 1/2% per month service charge, not to exceed 18% per annum. Orders on past due accounts will be C.O.D.

The people of Wisconsin Sports Distributors, Inc., in keeping with their reputation as leaders in other successful business ventures, will offer a complete inventory of parts at all times for its dealers.

A parts breakdown for the chassis and running gear will be included in the parts & service Manual and sent you as a part of your Dealer Parts Package. We ask that you include part numbers and descriptions whenever you order parts-- whether it be by mail or phone. Pick-up orders will be allowed but must be received by Wisconsin Sports twenty-four (24) hours in advance.

Wisconsin Sports is having an electronic phone order taking service installed which will accept and record your phoned in order during all hours our office is not open and manned by our staff. You can therefore phone in your orders on a 24 hour - 7 day/week basis. Another 1st in service to our BOA-SKI Dealers.

Dealer costs are as follows:

BOA-SKI: List less 31.6% + (5% - 10 day terms)

STEIN & TRI-SPORT: List less 31.6% + (5% 10 day terms)

ALL ENGINES: List less 21% + (5% - 10 day terms)

All orders must total \$5.00 or more to be honored.

All approved credit accounts will receive a statement of account approximately the 25th of each month. If account is paid in full by 10th of the following month, the 5% cash discount will be extended.

We will require all dealers to purchase a dealer Parts Package and maintain a minimum stock. In doing so, you will help us to better serve you by stocking emergency parts not normally carried by dealers. Initial Dealers parts package may be paid over a 90 day period as follows: (1/3 of invoice 30 days, 1/3 in 60 days, 1/3 in 90 days).

Terms:

1. No retail purchases from Wisconsin Sports Distributors.

Tel. (715) 387-3731TRI-SPORT/STEEN CYCLE SERVICE PROGRAM

It is generally agreed that the most important final consideration of a retail purchaser of a recreational vehicle is what Dealer will provide him with the best parts and service to assure him of continued enjoyment of his vehicle.

Every TRI-SPORT/STEEN Cycle franchised Dealer is expected to carry a stock of replacement parts sufficient to provide on-the-spot availability of parts to his customers. The Dealer should not make it a practice of making his retail customer wait for delivery of basic common parts he does not stock, while in turn ordering and waiting for Distributor orders. This destroys customer confidence in you, his Dealer.

In order to assist TRI-SPORT/STEEN Cycle Dealers to provide maximum service to their retail customers, Wisconsin Sports Distributors offers you the following parts service program:

1. Discount rate of 31.6% discount off regular parts list price, plus an additional 5% discount if parts account is paid in full within 10 days. (31.6% + 5%).
2. Basic Dealer parts stocking kits, which include the minimum quantity of basic replacement parts.
3. \$6.00 per hour warranty labor work rate coupled to a generous flat labor rate schedule.
4. Monthly settlement of all acceptable warranty claims submitted to WSD thru credit to Dealer's parts account.

TRI-SPORT/STEEN CYCLE

ADVERTISING CO-OP PROGRAM

1. Wisconsin Sports Distributors will issue credit of \$9.00 per machine purchased by dealer for local co-op advertising, if matched by dealer with an equal amount. Example: 10 machines produces a \$90.00 credit to dealer co-op fund.
2. The advertising must be spent before fund is drawn upon. Proof of allowed expenditures must be submitted in the form of "proof sheets" and "invoice billings." Example: You spend \$180.00 (on ten machines purchased) and WSD will credit you with \$90.00 in co-op refund.
3. In addition, Wisconsin Sports Distributors will spend an additional \$2.00 per machine on a state-wide basis.
4. Only advertising related to exclusive Tri-Sport and Steen Cycle products will be accepted for co-op funding. Approved advertising media is:

1. radio	4. billboard
2. newspaper	5. yellow pages
3. television	
5. Co-op advertising application forms will be provided in Dealer Kit. Simply fill the form completely, attach a copy of billing, and tear sheets and send to Wisconsin Sports Distributors. A credit memo will be issued to Dealer showing the appropriate co-op credit applied to his account.
