GET A QUARTER HORSE™

the utility vehicle that ends costly breakdowns
and high repair bills

PROMARK PRODUCTS CORPORATION

P.O. Box 708, Norwalk, Ohio 44857 • (419) 668-3721

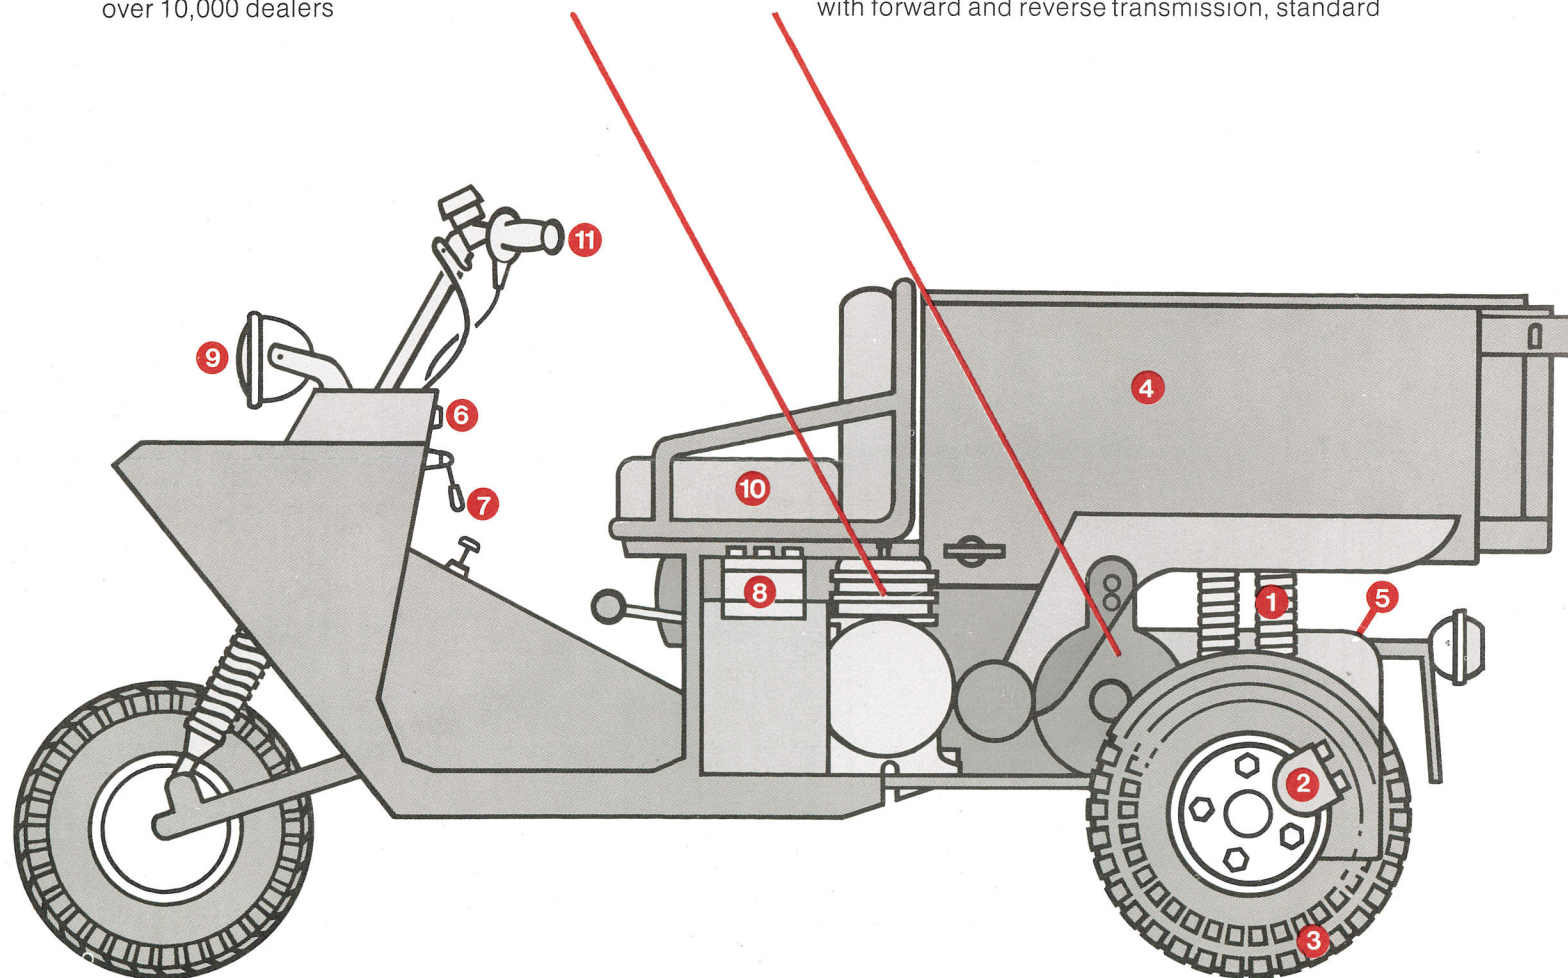

If your utility trucks and vehicles are costing you an "arm and a leg" because of complicated design, costly repair labor and expensive parts, then get a **Quarter Horse™** for easy, economical operation...simple maintenance

sturdy proven engine

- 10 HP or 14 HP Tecumseh, 4 cycle cast iron industrial engine
- Standard parts, available locally from over 10,000 dealers

rugged proven power train

- Automatic Transmission... "torque sensitive" type already proven in hundreds of thousands of vehicles
- Gear driven, completely sealed "Transaxle" differential with forward and reverse transmission, standard

1. Independent Suspension (All wheels with adjustable double shocks)
2. Hydraulic Disc Brake (Self-aligning)
3. Wide Oval Flotation Tires (Go over wet, slippery, irregular terrain)
4. Dump Bed — Standard (In 2 sizes — easily removed)
5. Hitchplate — Standard (Takes most standard tow-behind accessories)
6. Electric Key Starter — Standard
7. Separate Parking Brake — Plus park lock safety on transaxle
8. 12 Volt Electrical System — Solid state ignition — (integral alternator)
9. Head Lamp — Automotive type, sealed beam
10. Full-width Bench Seat — (Vinyl covered, two passenger)
11. Positive Operator Control — Hydraulic brake lever on left handlebar. Twist grip throttle on right handlebar with positive return
