FFK Journey Information for 2022

We are eagerly awaiting the visit of 10 Ambassadors from Des Moines, Iowa. Many of our members will be continuing friendships made from our club's journey to Des Moines in August of 2019; others will be creating new ones. Many thanks to Mike McDonough, his committee members, and to all those who are helping with the welcome dinner, small dinners, and the numerous daily activities.

Our first outgoing visit of the year will be Journey #22637 to Lower Columbia. Barbara Elder is the Ambassador Coordinator for this July 6-11 journey. Information about this journey was sent to members in early February. Among the activities offered are a Steamboat ride down the Columbia River Gorge, a trip to Mount St. Helens, a trip to the Oregon coast, and a visit to Columbia Valley wineries. There is still room for one more participant, so contact Barbara ASAP if interested. (Barbara5448@bellsouth.net). Final payment to be made by May 1.

Further into 2022, we will be hosting a group from Friendship Force St. Louis. This journey will occur September 17-22. Phyllis Driver is the host coordinator. If you would like to host, please contact Phyllis (pndriver@comcast.net).

In October we expect to host several judges from Uzbekistan through the Open World Program. Details are still being finalized. Please contact Betsy Tonkin (betst@mac.com) if you are interested in hosting or assisting.

AUSTRALIA IS OPEN TO VISITORS!! Plans are underway for our first International Journey since 2018. (Journey #22408) Our club will be visiting Australia from October 19-November 2, 2022. Australia currently requires a passport within no less than 6 months before expiration, a visitor's visa, and all visitors to be fully vaccinated. Masks are required by Australia on all incoming international flights. The US is currently requiring a negative covid 19 test prior to return to the USA.

Our host clubs of Gold Coast and North Moreton are in Queensland. Here is some additional information on the two host clubs:

Gold Coast

The Shoreline of Gold Coast stretches for 37 miles along the Pacific Ocean, featuring some of the best surfing beaches in Australia. With names like Surfers Paradise, Broadbeach, Palm Beach and Mermaid Beach, visions of glistening white sands, rolling surf and gently swaying palms spring to mind – and that's exactly how it is.

The Gold Coast is recognized as the Holiday Capital of Australia. Last year, approximately four million visitors came to spend some time there. And why wouldn't they? When you consider the sub-tropical climate, with an average of 7.5 hours of sunshine every day of the year, and a temperature ranging from 75 F to 82 F in October and November.

North Moreton

Beautiful beaches, scenic mountains, lakes, rainforest walks, boutique wineries, kangaroos on the doorstep. North Moreton is just north of Brisbane, the capital of Queensland, Australia. As you head north for the Sunshine Coast, you pass through our North Moreton district. It encompasses the regions of Caboolture, Redcliffe, Pine Rivers and Bribie Island, now known as The Moreton Bay Region. It is an area rich in culture and history. Redcliffe was the first settlement in Queensland and was once a penal colony. Enjoy a barbeque on the shores of Pumicestone Passage as the sun sinks down behind the Glasshouse Mountains.

Watch the kangaroos as they hop along the beach. Marvel at the calls of the whip birds as we walk through the rainforest. Get close to a koala at the fabulous Australia Zoo, the creation of legendary Crocodile Man, Steve Irwin. Walk with us along some of the most beautiful beaches in the world. A warm sub-tropical climate offers comfortable living throughout the year.

Ambassadors will enjoy the chance to walk through the rainforest near the Glasshouse Mountains or walk on the beaches of Bribie Island. They can cruise up Pumicestone Passage or along the Brisbane River or enjoy a barbecue at sunset as the kangaroos hop nearby or visit Steve Irwin's Australia Zoo.

Please contact Leslie Badaines (badainesL@aol.com) if you are interested in this exciting opportunity. A pre-stay in Sydney (at our own cost), will be an option for those interested.

Note: Per FFK policy all club members and our hosts are required to be fully vaccinated and boosted to travel. Our club members must also show proof of a negative covid test.

Road Trip!!! We're meeting our NC friends at The Shelton House, Waynesville, NC on June 22, 2022! 🚗 🚐 🚙

The Western NC Friendship Force Club will join us in Waynesville and, beginning at 10 AM, we'll be escorted on a private tour of the historic Shelton House Museum and Gardens: <https://sheltonhouse.org/shelton-house/>. Around noon we'll stroll to the "event barn" where a musician will be playing and fancy tables will be set for a luncheon of chicken salad sandwiches, additional salads, and dessert. (Vegetarians- you may substitute egg salad if you like.) During lunch we will have plenty of time to socialize with each other and our NC friends.

The cost for the tour, table setting and lunch is \$30 per person, but the Club is picking up \$10 of your cost! You will pay only \$20! Quite a bargain! *We want you to see you there!*

Please RSVP, *as soon as possible*, to FFK member Marsha Mitchell, globalmarsha@gmail.com, or call 865-335-3875.

If you'd like to book a hotel instead of driving back home afterwards, Marsha will offer suggestions, including a motel in Maggie Valley that's offering a 10% discount to Friendship Force members, but you must hurry. You can join the overnights for breakfast at the famous Joey's Pancake House in Maggie Valley in the morning. *It's the best!*

Don't miss out on the fun! Hit the road! Meet new folks! Make new friends!

FFI Seeks Volunteers to help with Online English Conversation Class

At the request of many members in non-English speaking countries, FFI is starting to offer online Conversational English classes. As part of their curriculum, the students will be going to chat rooms where they will practice their conversation. The classes will meet once a week for eight weeks. Most of the students signed up so far are Japanese. The teacher has asked for English speaking volunteers to help by participating in those chat rooms to help with conversations. **The volunteers would have no teaching responsibilities.** They would just be there to help things along. Please let Rob Kilpatrick, the FFI Southeast Region Coordinator (rocrob2020@mac.com) know if you are interested in helping with this effort.

Magical Morocco at our March 22nd General Event

Fifteen FFK members attended the Zoom meeting on March 22 and enjoyed the presentation by Rusha and Bert Sams. Rusha's experience at a cooking school in Marrakech and then their two-week journey to Morocco's legendary cities were featured. We saw shopping in the souks of Fez, touring movie sets in Ouarzazate, climbing the ancient structure of Ait Ben Haddou, and marveling at the blue city of Chefchouen. Many thanks to Rusha and Bert for a wonderful evening. Check out their blog at <http://ohtheplaceswesees.com> and if you want to watch the recording of the meeting, use the following link and password:

Member Profile: Phyllis & Ely Driver

Phyllis and Ely Driver joined Friendship Force Knoxville in 2007 after they both retired. Phyllis taught accounting for 30 years at Carson Newman University. Ely was with TVA, the director of the Engineering Lab in Norris, and, after retirement, also taught at Pellissippi State Community College.

Ron and Jean Mayer introduced the Drivers to FFK, but they were both interested in cultural exchange and world travel long before that, in no small part due to their participation in 14 Rotary Club international conventions and hosting of guests through the Rotary Club from many other countries. They have traveled to 55 countries and all the States in the US. Among their most interesting experiences abroad were team teaching the basics of business in ZhengZhou, China in 1994, lecturing in Azerbaijan, visiting Angkor Wat, Cambodia, riding an elephant in Thailand, and experiencing the most powerful waterfalls in the world - Iguazu Falls (on the border between Brazil and Argentina) – in a boat under the falls and hiking down beside the falls in flip-flops!

Since joining FFK, Phyllis and Ely have participated in outbound journeys to Ukraine, Poland and Charlotte, NC. They have hosted Open World delegates - educators and doctors from Russia and teachers and students from Indonesia. They share a wide range of interests beyond travel including the opera, classical music, theater and reading.
