## Newsletter

February 2022 Alpine, CA

### Commander's Message

Comrades,

Wow! January flew by us and we are now into February. I would like to say welcome to everyone receiving this newsletter for the first time and also welcome to all new members who have joined us. Our **Post** continues to be a staple in this community through your support and membership to our post.

I would like to take this opportunity to remind all of our valued patrons that membership in the **Veterans of Foreign Wars Post** is reserved for those members of the Armed Forces who have served in designated combat or contingency zones around the world.

We are very fortunate to have an active **VFW Post 9578 Auxiliary** and additionally we allow the public to visit our **Post**. I would ask that all of you who visit please respect the rules we have established, and always remember what the **VFW** stands for.

Please note that vaping is not allowed inside the **Post** and or on the deck. As always,

### Quartermaster's Report

The **Post** continues to deal with the Covid restrictions and is working hard to provide members and guests the best possible services while also making improvements along the way.

We are all facing high food and drink prices as well as higher utility bills, and the **Post** continues to evaluate these rising costs to make sure that we are operating as efficiently as possible.

The future of the **Post** is dependent on our membership. Please encourage anyone eligible for membership to either the **VFW** or **Post Auxiliary** to consider signing up. I will help you qualify and process new members.

Please come to our **General Meeting** at **11 a.m.** on **Saturday, Feb 12th** to hear what is going on and to express your opinion. Members who have opinions regarding the **Post** and its operations are welcome to attend the **General Meeting** and sound off! That is the official forum established for your feedback, comments and suggestions.

Please remember that your **Quartermaster** is always available to work with you on any problem, **Post** or personal.

Please support your "Home on the hill" regularly and tell others often what a great **Post** that you belong to here in wonderful Alpine.

P.S. - I have served as your **Quartermaster**

drugs of any kind (including marijuana) are not allowed anywhere on or around the **Post** or its property.

Thank you for your understanding and compliance - and I look forward to seeing you all soon.

Please come out to the **Post** for our **General Meeting at 11 a.m. Saturday, Feb 12th**. Attend the meeting to have your say in the current and future operations of **VFW Bert Fuller Post 9578**.

If you need me reach out, please call me at **(858) 729-3911**. I am here for you - the **Veterans**, the **Auxiliary**, our families and the community of Alpine!

Until next time comrades,

### **John**

Post Commander  
John Sullivan

### **Chaplain's Message**

I'm honored and privileged to have served as your as your **Post Chaplain** over the past ten years.

According the **VFW Chaplain's Manual**, the **Chaplain** is not just there to be "religious" officer who gives prayers at meetings. He or she should be able to help members grow in their relationships with their Creator and with one another to become a true Comrade.

The **Chaplain** develops an environment in which Comrades are encouraged in their personal and collective moral and spiritual growth.

I hope I've been able to achieve these goals since becoming your **Chaplain**, and I'll continue to work on doing so.

I've officiated at two weddings at the **Post** out on our deck; the most recent being one year ago between **Post Life Member U.S. Navy veteran Don Elliott** and his wife **Julie**. Over the past years, I've also had to do many memorials. I appreciate everyone's confidence and support!

Several of our members are experiencing serious illnesses; let us pray for them:

for 12 years and want to thank all members for that honor. See you at the **Post** soon!!!

### **Carl**

Quartermaster  
Carl Silva

### **House Committee Report**

Comrades:

We are making small improvements for the next few months, waiting for the spring. Tables have been moved on the deck so we can start utilizing the new extension for entertainment.

We have received a bid for more cameras to give us better coverage inside and around the **Post**. We will vote on it at the next meeting to see if it is doable at this time.

We have all the members' photos that were on the wall back at the **Post**. Please stop by the **Post** and we will return them to you. We are still waiting for the new arrangement of photos to be placed on the wall.

If you are a member, please show up to the **11 a.m. Saturday, Feb. 12th General Meeting** and provide your input on where we are heading and vote on the future of the **Post**.

Best Regards,

### **John**

House Committee Chair  
John Rizzo

### **Auxiliary President's Message**

Happy February! It is wild that 2022 is well underway as we quickly approach the start of Spring. The world

around us continues to be a wild time. This is a time to be thankful for the camaraderie that we have at **VFW Post 9578**.

Lord, Almighty God, we pray for your healing grace in behalf of each of our ailing Comrades. May they know the blessing of improved health in this hour and throughout life. Bless all who minister to them in body, mind and spirit. Grant them patience and endurance, relief from pain and suffering, the blessing of a swift recovery, and finally, that they may dwell with you in life everlasting. AMEN.

We will be meeting at **10 a.m. on Feb 5th** in the Post conference room. Alpine VFW Post 9578

844 Tavern Road, Alpine (619) 445-6040

Monday, Jan 24<sup>th</sup> at  
**Miramar National Cemetery.**

My friend **Betty**, was not a member of our **Post**, but she was a friend and neighbor. I was so appreciative that her daughter asked **Theo** and I to be there. It was my first time to visit

**Miramar National Cemetery.** Betty's son-in-law is a 22-year **Navy Veteran** and wounded in action. His son is currently serving in the Navy. **Betty's** husband was a **WWII Veteran**. Thank you all for your service! I felt this was so appropriate for my first Memorial. **Betty** and her husband were both interred that Monday, finally together for all eternity. I think this is such a sweet love story. She has waited to join him for 22 years.

Something very melancholy about the day. It was bright and beautiful. The horse drawn carriage processed them to their final resting place...together. I found out that the carriage owner is a friend of mine of 50 years that lived in **Julian** when I did. That was truly the cherry on top of the day! A small world indeed. Blessed and happy!

Sometimes in our lives we search for our perfect match. The person that makes us feel at "home". Sometimes we never find them, but we continue the search.

Sometimes we are quite happy alone. **Valentine's Day** is coming this month. Some folks will be with their loves; some will be separated by distance or death; some will be alone. **Valentine's Day** can be a happy or sad day. Remember the little **Valentine's** cards we used to give in school? They went to everyone – the whole class. Everyone was happy!

Some holidays (never mind the commercializing) make our friends and loved ones sad. Let's try to change that and make them feel special and loved and happy.

This year, after we have all been through so much, try to put a smile on the face of someone that you know is missing their "Love". A hug, a smile, maybe even one of those little valentines cards! It is such a small gesture – but, oh, what a difference it can make to that person! "Smiling is the most basic kind of peace work!"

Be well, and thank you for your continued love and support,

**Kelly Rice:** Lead Vocals & Leader of the Band - A San Diego native, Kelly's powerful vocals and genuine love to perform has kept her working in the music industry from a very young age. She has opened up for many National Acts and has won many Female Vocalist awards in both San Diego and Nashville. Kelly loves singing great songs from many different genres, she spoils her audience, and is always sure to please!

**Lynne Hoffman,** Backup & Lead Vocals - Born and raised in CA, Lynne began singing as a little girl, bringing her voice to church, community and fundraising events and productions through high school, and later in a corporate band where she performed all over the United States for over 10 years, including for local San Diego events.

**Stuart Loui:** Keyboards & Vocals - Playing piano and singing in the Phoenix Boys Choir, Stuart developed piano, keyboard, and professional vocal skills from a very young age. He began expressing and sharing his music through church, choir concerts, and community events and organizations. After moving to San Diego, he became a key member of various cover and tribute bands and ensembles, lending his voice, piano/keyboard/synth sounds, and audio experience, focusing initially in Renaissance, Acoustic/Folk, Rock, Pop, New Wave, and piano-driven/ed music.

**Bob Ruppel:** Guitar & Backup Vocals - Growing up in Los Angeles, CA amidst musician parents and with the bands of the Sunset Strip just a few miles away, Bob himself started playing piano and trumpet at a young age. He eventually found his ultimate musical passion through guitar and bringing "hot licks" in numerous Southern California bands. He eventually moved to San Diego, linking with the local music scene here. Rock, blues disco, funk, or country- Bob loves playing it all and finds it a joy to share music with his bandmates and all of you!
