BOYS & GIRLS CLUBS
OF ST. HELENA AND CALISTOGA

August 19, 2023

Dear Friends and Supporters,

Welcome to the 12th annual The BIG Night! We gather in celebration and support of the more than 2,500 children and youth enrolled in our Clubs and school sites throughout the Upper Valley.

There is no silver bullet to success. It takes an army of people, a safe environment, high-quality programs and unique experiences to level the playing field for all kids. The Boys & Girls Clubs of St. Helena and Calistoga don't just do one thing, we do whatever it takes to build great futures for the Valley's children and teens. We can only do that with the love and support of our communities.

Supporting the mental health of kids and teens is more important than ever. Growing up can be hard on a young person of any generation, but today's kids and teens are facing an ever-evolving pandemic, civil unrest and racial inequality, school shootings, social pressures online and systemic inequities that create barriers to success. It's no surprise that young people are feeling stressed. For the next three years our Board of Directors are making a commitment to focus on Mental Health throughout our organization and sites. We are taking the lead in providing mental health training, support, retreats and counseling for our kids and our staff. Last year our Teen Mental Health Retreats were recognized as a leading innovative national program and are being piloted in other states. With your help The BIG Night can do more than ever to help us raise the funds needed to make sure every child is given the support and help they need. We are grateful that you are here.

We can only do what we do because of The BIG Night. Enjoy the beautiful food and wine and remember to give BIG from your heart. We rely every day on your generosity, and we also honor that generosity by ensuring every dollar is used to change the lives of as many Up Valley children as possible.

On behalf of the kids we serve and our Board of Directors, THANK YOU for being here this evening. THANK YOU for your BIG heart on this BIG Night. There is more work to be done and together we can reach more kids than ever.

ABREU HOWELL MOUNTAIN MAGNUMS

LAS POSADAS (HOWELL MOUNTAIN)

"When David purchased this Howell Mountain property in 2000 it came with an unexpected perk: first growth redwood stakes dating back over a century.

At about 2000 feet elevation, Las Posadas sits above the fog line, surrounded by a protected forest of fir and pine. Red Aiken soils are layered over white tufa, and the rocks that littered the site before it was planted now form walls defining the property. The redwood stakes—collected, stacked, preserved—await their next life." CultWine.com

SEND A TEEN TO OUR OREGON RETREAT

BUY A SPOT - \$1,000/TEEN

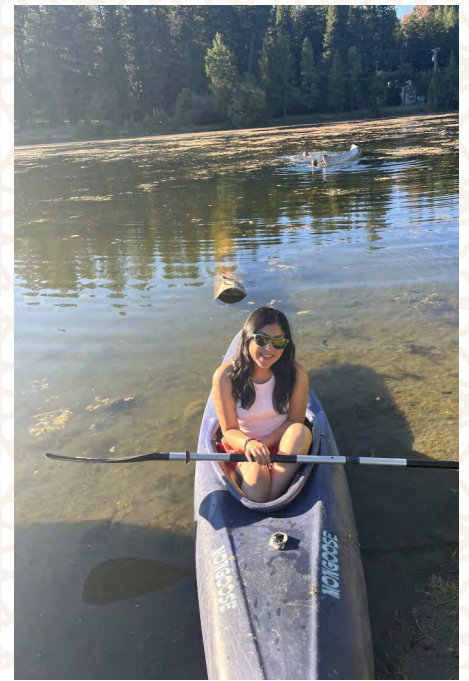

Twice a year, 25+ teens embark on a transformative six-day retreat into the Oregon mountains to experience the power of nature and connectedness. Previous attendees were surveyed:

- ◆ 100% experienced a reduction in anxiety
- ◆ 100% felt the retreat equipped them with tools to deal with stress, trauma, and depression
- ◆ 100% believe it is important their peers attend a retreat in the future

Through your generosity, all expenses are covered, as they work towards becoming their best selves.

DETERT

FAMILY VINEYARDS

AMICI 2016

"This is really exotic with dark berries, peaches, star anise and nutmeg. Aromatic. Currants, too. Full body and firm and silky, very fine tannins. This is a very reserved and refined To Kalon."

James Suckling-
Oakville, Napa, CA

B CELLARS 2018

"This powerhouse of a wine is sweet in oak and burly tannin, with layers and layers of dense, chewy richness. The fruit is jammy and velvety in blackberry, black cherry and a tease of crushed rock, with lasting hints of mocha and tobacco. This vineyard-designate is worthy of cellaring for the long haul. Enjoy best from 2027 through 2037."

Virginie Boone, 95/100,
Wine Enthusiast

TRES PERLAS DESDE LUISA 2020

"Superb, as one might expect from Beckstoffer To Kalon, a first-growth quality vineyard. It is a wine with plenty of berry fruit, floral notes, fabulous concentration, a full-bodied texture, and a long, pure finish."
Robert M. Parker, Jr.
