## A Message from the President

It's time...

ALL good things must come to an end. And many times, it's with a good feeling of closure. Cutting that last piece for a 2,312 piece scrappy quilt with Bonnie Hunter is fulfilling. Receiving the last Block of the Month in time to assemble it before a holiday is awesome timing. Finding and matching a hard to find shade to go with a UFO top waiting for its last border is happiness. And putting the final stitch on the last few inches of binding on a most recent undertaking is mighty rewarding. All of these are happy endings in a quilters life. But mine is different.

It is me putting closure on a two year adventure with CAMEO as your president. Being an officer has its own merits and rewards in any capacity, but the challenges of leadership can and should be its own reward. The discoveries of group dynamics, personalities, varying levels of skill and experience, not to mention style preferences and learning modalities, and any last minute challenge like the power going out at a winter meeting and finishing the business part in the dark with everyone's phone lighting our way or discovering the plug to the projector for the speaker planning on doing a slide show presentation doesn't match her computer port. These were all minor to the learning taking place and the sharing of knowledge experienced. Its been the camaraderie and smiles discovered and shared. It's been the laughter and tears, and overcoming the fears. I hope that I helped you learn or discover something new about yourself or quilting. Fortunately I had a wonderful Board to support me the entire way.

Enjoy your summer and looking forward to another year of meeting each other. Fondly, and thanking you,  
Cindy May

**Programs & Workshops**

**Sharon Cratsenburg**  
VP, Facilitator

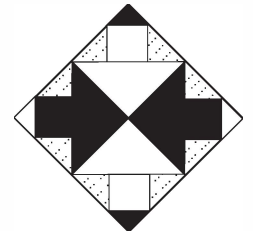

Can you believe our CAMEO year is about to end? It has been an enjoyable one. I hope everyone was satisfied with the speakers and workshops we had this year. I tried as well as I could to fulfill your requests from the survey a year ago. I think my favorite and the most valuable thing I learned from a speaker this year is to appreciate and value the work you have done on your quilts. Don't underestimate yourself. From the beginners who have to start somewhere to accomplished quilters- all of your talents are valuable. So for safety purposes you may want to have your quilts appraised. Your hard work is worth it. Enjoy your summer doing whatever it is you enjoy- gardening, reading, sun bathing, and quilting. I can't wait to see what our VP Programmer is bringing to the guild for next year. See you in September.

*The Fabulous Finds table  
will continue at our CAMEO Quilt Guild  
2018/2019 gatherings.*

Please set aside your scraps, magazines, books, extra tools and notions to bring to the September meeting. Your donations to the table benefit all of us! Thank you!

**Charity**

**Linda Wallace**  
**Sharon Cratsenburg**

We have been working on the Annual Report. Our guild has donated 31 quilts to Miracle Quilts along with baby bibs and baby caps. The Layette Program also received 31 quilts plus over \$600.00 of assorted baby items. Haven received 72 gift bags and assorted items. Lastly, Ryan's Case for Smiles (formerly ConKerr) was given 36 pillowcases. **Our total donations was over \$6000.00.**

Charity Committee will be getting ready for next year through the summer. We could use your help as well. When you are out shopping for fabric or looking online for fabric, consider buying an extra 1.5 yard of children's prints. We need children's fabric to make pillowcases. A yard and a half will make 2 of them. Please bring to the September meeting.

**to those who have their newsletters emailed, you save the Guild a lot of money!**

Did you know that the copies left at the membership table are for our guests? Advertising pays for postage and printing of the *Silhouette*. This year, we had one advertiser for an income of \$50.00. Yearly postage has cost at least \$38.50; printing for the Membership table will be about \$50.00. This does not include the 7 mailed newsletters which the editor prints for free, in order to get them to you in a timely manner.

Obviously, we're operating in a deficit. Of the 7 mailed newsletters, many of those members do have email addresses. Please consider having your newsletter emailed and reading it on your screen or having a friend print it for you. The Board has decided that members with email who also want a mailed paper copy should pay for that service. Please read the Board minutes in this issue and thanks for your understanding.

## CAMEO Quilters Guild Board Meeting Minutes May 24, 2018

Meeting called to order at 7:10 by President Cindy May.

Meeting was held at the home of Cindy May, hosted by Laurie Johnson.

Present: Cindy May, Sharon Cratsenburg, Loreen Garrison, Susan Larson, Ann Bonnelli, Karla Sutton, Pat Baldauf, Laurie Johnson, Barbara Lusk. Absent: Cheryl Cawley, Kathy Wilson

President Cindy requested that all committee manuals be turned in. Nominees for Cameo Offices must renew their membership, dues paid by July 1, or preferably before the June meeting when the elections are held. A new membership form will be revised and printed using the guild P.O.Box number because we do not know who the Membership Chair will be.

**Pat Baldauf, Treasurer:** There have been no major overages from the budgeted amounts. Preliminary Retreat Report shows a slight overage but that was made up from last year's profit. Pat will check into the IRS letter and follow up. Barb Lusk Contract with the Church for meetings and workshops has been written. Rental fees have increased, the first time since we have been meeting there, to \$125 for half day and \$175 for full day. Cindy will sign the contract instead of waiting for a new president, to ensure our dates.

**Loreen Garrison, VP Scheduling:** The Fife Lake speaker has still not returned a signed contract. A list of the confirmed speakers will be placed on the back of the June meeting agenda.

There were five participants in the Cameo Challenge, this is now an activity and is up to the Membership whether it is offered.

*Library.* Very little use is made of the Library, should it be disbanded? Should the books be sold to the Membership, should they be given away at one of the pot-lucks? Membership should be consulted if Library is to be disbanded. It will be brought up at the June Meeting.

*Fabulous Finds.* Congratulations to Lucy Lesperance, the Fabulous Finds Table has been a great success. Cindy's contact has sufficient of our left overs, Barb says other Lutheran churches have the same program and might be a future source.

**Newsletter discussion, Laurie Johnson:** Membership Form will be in the Newsletter. Copies of the Newsletter are made available at the meetings for guests. Members can read their copies on their email or print their own copies. Board decided the policy would be: If a member has an email address and wants a hard copy mailed, that member will have to cover the cost of printing and postage. That will be \$1 per month or \$10 per year.

Very few people participate in Slip of the Keyboard, do we want to continue with it?

**Nominations & Elections.** Ballots will be printed up for the June Meeting. There will a space for write-in nominations for each office. Write -in candidates must be present at the June Meeting. Ballots will be distributed at the beginning of the Meeting, fill them in during meal then they will be collected and counted...There will be three extra ballots printed, one to conduct the count with, one for the total tally after the count and one to be kept on file with the ballots.

**Announcements:** Yetiva Allen who sold the pincushions at retreat sent a thank you card. She said she raised \$170 and that will go between the Lions Bear Lake Camp and Flushing Lions Club Kennel Project for Leader Dogs.

There is a training session being offered for Running a Raffle and complying with State regulations. If interested see Cindy.

Quilt Show July 13-14 at 9410 Davis Highway Dimondale, MI sponsored by Lansing Area Patches.com

Karen Turckes workshop went very well and the group was small enough that she could give lots of individual attention. It was unfortunate that there were problems with the equipment for Thursday's meeting. Our projector is really old, however most speakers bring their own. We should revise our contracts to clarify that it is the speaker that should provide any needed equipment other than a screen and a microphone. Loreen will update form and send to Cindy. Sharon and Linda will look into possible dates for 2020 Quilt Show.

Newsletter deadline June 1st.

Next Board Meeting June 28 at the home of Cindy May.

Adjourned 8.35 pm

Respectfully submitted,  
Ann Bonnelli
