Don't miss out on an opportunity to learn to make a quilt from a photo at our workshop on October 20th! Check out the portrait taken from Aniko Feher's book "Labor of Love; How to Turn Your Photo Into a Quilt Portrait". Aniko Feher will be teaching us how to make a quilt using any personal photo you may have (please use your own photo and do not violate copyright laws by using others' without permission). The **6 hour workshop is only \$40 for members and \$50 for non-members**, and you don't need to bring your sewing machine to class. Please join us and learn a new skill. (A registration form is on page 8)

Membership

Lynda Draudt

VP, Membership

Welcome back to all returning members and welcome to our new members. I am looking forward to another wonderful year of friends and quilting. We have started the new year with 51 members, so we are off to a great start. I have emailed documents for your review. Please let me know as soon as possible if you have any corrections, so that I can fix them before I print the Membership Booklets. The Membership Books will be available at the October meeting.

A Message from the President **Sharon Cratsenburg**

Another beautiful summer has come and gone! It was great to see new and returning faces at our first CAMEO meeting of the year. Our speaker for the October 18 meeting is Aniko Feher. Her workshop on portrait quilting is scheduled for Saturday, October 20. Contact Cheryl Cawley if you would still like to register for the class.

A great way to learn a new technique at a reasonable cost is to take one of the workshops offered by CAMEO Quilters Guild. If you have anyone you would like to see brought to CAMEO, please let Jan Recinos know as she is looking for speakers for the 2019-20 year.

Hopefully, you were able to purchase a quilting book and glean new ideas for future projects at September's meeting. You never know - you might find a pattern to use with your scraps for the charity challenge presented by Jean Schegelmann. Part of CAMEO's mission statement is to work on projects for our charity donations. CAMEO members have always been generous in providing for our charities.

Colombiere Retreat Center in Clarkston was chosen for our retreat location this year. More information will be coming to you soon. **The retreat dates will now be April 11-14, 2019.**

Keep your machines humming while you're able to enjoy the cooler days fall has brought to us. See you at the October meeting.

LIBRARY COMMITTEE

The library book sale went quite well. We made \$80 and emptied one box. We have decided to have the sale at the October meeting with new books, so bring your dollars. In October we will have a few more signed copies available starting at \$5 per book, and rest will start at \$1 per book.

As a reminder, bidding will start at \$1 (author signed copies will start at \$5) and go up in dollar increments. You can bid as often as you want. Bidding will be closed before Show & Tell. The item will go to the person making the highest bid. The book can then be paid for, and you will take ownership at that time.

5" SQUARES WITH A HEART SEWN ON OR WITHIN

It would be advantageous for me to have all the members of this guild to enjoy making at least one, if not many, throughout the year.....5" square of fabric with a form of a heart sewn on or in it.

The fabric [block perimeter] is to have raw edges so it could be sewn into a project or just enjoyed.

When a member is not well or has had a calamity, there will be a card with one of these heart squares sent, to say we are thinking of you.

Please bring these heart squares to the meetings, leaving at the membership table for me to pick up.

It would be nice if you would put your name somewhere on your heart square to make it more personal. Thank you!

SENDING HEARTS AND HUGS TO....

Tina Rink, while she recovers from a broken leg and caring thoughts go to **Sybil Derderian** on the passing of her brother Michael. May there be peace in her family.

Cynthia M. Sept. 16
Lynda D. Sept. 24
Jackie C. Sept. 28

Our October birthdays are:

Kathy D. Oct. 8
Donna B. Oct. 19
Ann K. Oct. 22

Hospitality

Rosemary Spatafora

Thanks so much to the CAMEO Board for providing such great treats at our September meeting! You certainly made all of us feel welcome and nurtured!

Currently, we will continue to follow the tradition of asking **members whose birthdays fall in the meeting month to provide the hospitality treats for that month.** During months that have only a few birthdays, we will ask some people whose birthdays fall during the summer (July, August, September) to bring in treats.

Our October birthdays are Kathy Debien, Donna Brokenshire, Ann Kroetsch and Pat Cason-Merenda. Lynda Draudt has also volunteered to bring in a treat for October.

Of course, as always, anyone is welcome to bring something to contribute to our Hospitality table!

Please note, finger foods (sweet or savory) are easiest for members to handle during our break.

Looking forward to seeing everyone in October!

SHOW AND TELL

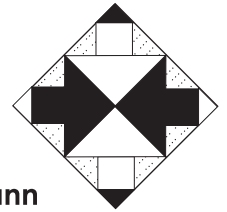

(say cheese...)

Please remember to hold your quilts up and steady long enough for everyone to get a good look, and for your photographer to get a good picture! We put in a lot of time and effort making our quilts; please give us the extra minute or two to appreciate them !!!

Charity

Linda Wallace & Jean Schlegelmann

Charity is preparing for a productive year. The month of November is when we donate to Haven. Haven bags will be available at the Charity table for members to pick up. For our new members, we make a gift bag and then fill it with items for an infant, young girl, young boy or a mother. A list of items suggested to fill the bag will be available at the charity table. On an average, \$10 - \$20 is spent per bag. Most items can be purchased at the dollar store. (ie. Hair care products, body wash, toys, puzzles, books, coloring books and crayons, etc)

Haven Bags are to be returned at the November meeting.

Last month, we asked for children's material for pillowcases. We did receive some donations. The committee wants to give a special thanks to those who did donate. **Please mark your calendar for February 23. That is Charity Day** where we will meet at the church to work on Charity items. This is when we will work on the pillowcases.

Sew Much Fun!

Charity Begins at Home

Linda Wallace &
Jean Schlegelmann

Charity Committee would like to encourage CAMEO members to make and donate quilts. The rules are very simple:

1. Material must come from your stash (or a friend's :). This could be a great scrapbuster!
2. It will be your responsibility to submit a completed quilt which includes quilting and binding.
3. Quilt size must be at least 36" x 36" or larger.
4. There will be a special sign-in sheet and for each quilt you turn in, your name will be put in a basket for a drawing in April.

Patterns will be available at the Charity table, but you may use your own. Hope you have fun from start to finish! We are looking forward to seeing what you will come up with.

TOWN HALL QUILT GUILD INVITES YOU TO MINI WORKSHOPS IN OCTOBER AND NOVEMBER

On October 16, we will be using men's ties. Two men's ties must be washed, taken apart, and pressed. The guild will be supplying the fusible interfacing for guild members. Bring your sewing machine and basic supplies (extension cord) and learn how to make a quilt using men's ties.

On November 20, we will also host a mini workshop on how to make a quilt block using a foundation piecing method. More details to follow as the guild member who is hosting is on vacation.

Just a small fee to cover the cost of supplies that the Town Hall is purchasing to learn these techniques.

Chuck Blanchard

Meeting starts at 7:00 pm
First Congregational Church
5449 Clarkston Road, Clarkston

ROW Round^Robin

Henry Rachmiel

For those of you who signed up, remember to bring your first row to the October meeting. For those of you who were considering it, or missed the September meeting, there is still time to join. Bring your row (40 inches by 6-8 inches, and identify your theme) to the next meeting and you will be in the groove. Because nice matters. If you need more information, contact me at: hrachmiel@gmail.com or 248-661-4854.

FAT QUARTER EXCHANGE

This year we are going to be exchanging 2-1/2 inch squares. The idea is they will be becoming hexies, but it is your choice to do what you like with your squares. For the **month of October, the color is red.** Use quilt shop quality fabrics for this exchange, the **number of squares to bring is 42**, all the same color. There will be a sign up sheet for the month of November.

The finished size of the hexie will be one inch if you are planning on using them for hexies.

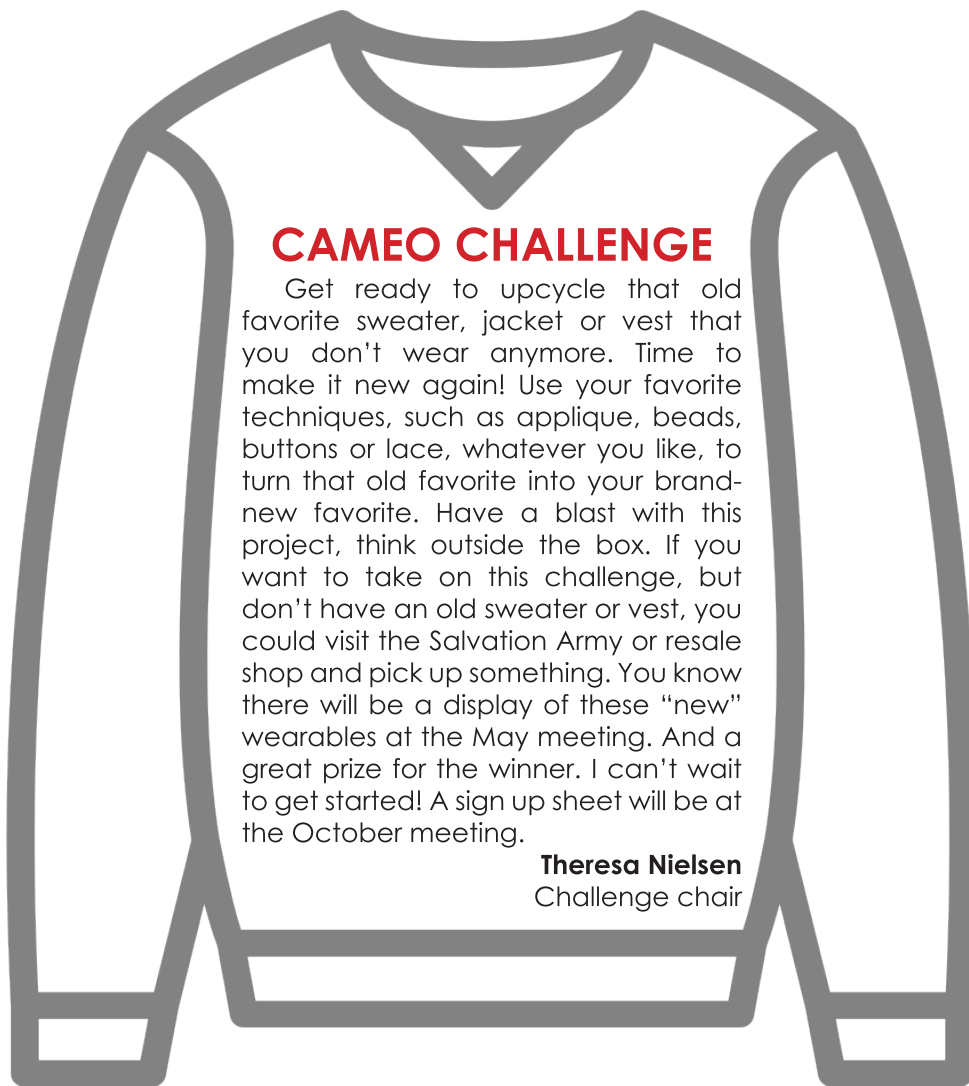

Any questions, give us a call.

CAMEO CHALLENGE

Get ready to upcycle that old favorite sweater, jacket or vest that you don't wear anymore. Time to make it new again! Use your favorite techniques, such as applique, beads, buttons or lace, whatever you like, to turn that old favorite into your brand-new favorite. Have a blast with this project, think outside the box. If you want to take on this challenge, but don't have an old sweater or vest, you could visit the Salvation Army or resale shop and pick up something. You know there will be a display of these "new" wearables at the May meeting. And a great prize for the winner. I can't wait to get started! A sign up sheet will be at the October meeting.

A Call for Donated Quilts: Miniature Quilt Exhibit "Physical and Mental Health in a Global Context"

During the Fall 2019, a miniature quilt exhibit at Schoolcraft College on the topic of "Physical and Mental Health in a Global Environment" will be on display. In order for the exhibit to have the greatest educational impact, it will be designed as a traveling exhibit which will allow other colleges, universities, and community organizations to borrow it.

In order to support the educational aspects of the quilt show and traveling exhibit, quiltermakers are asked to donate their quilts for the exhibit. These quilts need to fit the goals of the exhibit and be well constructed.

If you are interested to learn more about donating a quilt to the exhibit, please contact sberg@schoolcraft.edu or visit <http://scholarlyvoices.org/health02/index.html>
