

SUBLIMATION PRINTER

Unleash Your Inner Bold and Create Like Never Before

The Brother Sublimation Printer is ideal for any maker, artist, or designer as it allows you to create vibrant color projects such as tee shirts, tote bags, ceramic mugs, metal tumblers, coasters, and more using Artspira¹, Brother's editing and design app. Once you design in Artspira¹, you can quickly transfer your creations to your Brother Sublimation Printer and print high-quality, vibrant color designs.

Powered by Artspira¹: Print and import images easily with the Artspira¹ app. With access to printing patterns and designs, plus the ability to convert portraits into poster-style drawings, Artspira¹ will have you creating on the go. Access the Artspira+ Paid Subscription Plan² for even more creativity!

Make Ready-made Clothes All Yours: Use the Brother Sublimation Printer for your next DIY Project! It's as easy as creating your design on Artspira¹, transferring it, printing, heat pressing, and finishing!

Create Custom Projects: With the Brother Sublimation Printer, your imagination, and Artspira¹, you can create personalized pieces for birthdays, celebrations, and inviting home decor.

Brother Reliability: Brother's reputation for creating first-rate, high-quality products continues with the Brother Sublimation Printer.
