Please come and join the METCHOSIN LIONS CLUB on Sunday, September 8, 1991 for a great day of horse showing. Featuring English Competition, there will be Jumping in the morning and Hack classes in the afternoon. The METCHOSIN LIONS CLUB will be operating the Concession Booth as well as handing out ribbons, cash, and awards.

Sunday is also METCHOSIN DAY with all its attractions & features. A special highlight will be the GRAND OPENING of the METCHOSIN EQUESTRIAN CENTRE. The opening ceremony will take place during the lunch break and includes a performance of the fledgling Metchosin Musical Ride.

For the past 3 years, the Equestrian Center has been a major project of the METCHOSIN LIONS CLUB. The club has donated \$8000.00 toward the construction of the Riding Ring, Grandstand and Announcers Booth, which is located on the Municipal property. The centre is a public facility operated & maintained by the METCHOSIN EQUESTRIAN SOCIETY.

In addition to the contribution of the METCHOSIN LIONS CLUB, many people in our community have donated Thousands of Dollars in Labour, Equipment, Materials, & Expertise. Without their generosity this wonderful facility could not have been built.
