

## October 2021 Kairos Letter

To our Brothers at Pender Correctional,

Greetings in the name of our Lord and Savior Jesus Christ. It has now been two full years since our last Kairos weekend inside the walls there at Pender. We have certainly experienced some of the most unexpected and difficult times over these past many months with the pandemic and changes to how our daily lives have been affected.

However, there is one thing that has never and will never change. That is the love that Jesus has for each one of us. It doesn't matter who we are, where we come from or what we have done, Jesus loves all of us and even came to earth to save us from all our sins by dying a horrific death on the cross. It was his blood that was shed as the payment in full for all our sins; past, present and future. He did this because he loves each of us so much He couldn't bear eternity without us so He chose the nails and the anguish of the cross to create a way for all those He loves to live with Him forever.

Please be assured that your Kairos volunteers continue to remember you and lift you up in our prayers. We hope that encourages you today.

Finally, as we look forward to joining together with you again in the future to celebrate Christ's love, stay strong in the Lord and look for ways to support each other in His name!

God bless you all,  
Jim Linton, Kairos volunteer
