

Gods Special Time

Dear Sunday School Teachers,

We will be participating in a Kairos weekend at the Pender Correctional Institution in Burgaw soon. Kairos is a prison ministry that is a spiritual retreat for the residents

During the weekend, at each meal the residents will be served their meals on placemats. The placemats used are made by people who wish to demonstrate their love for their fellow man and participate in the prison ministry themselves.

Please help support this ministry by making placemats **during a Sunday class**. It will be very heartwarming to the residents of Pender Correctional and is a great way to show the love of God. We will provide the paper.

Placemats made by children are the most cherished. There is something about the innocence of children that breaks down barriers and allows the love of God to reach even the hard-hearted. Each placemat should be colorful. Crayons, markers, or colored pencils may be used. **PLEASE DO NOT USE ANY GLITTER OR STICKERS**. The **first name only and age** of the child who created it should be written by the respective artist on his or her creation.

A note from the child saying something like "God loves you" or "Jesus loves you" or "God loves you and so do I" can be included. You could even include some scripture

Please bring the completed placemats to me next Sunday.

Thank you.

In Christ's Love,

Matthew 25:36

I needed clothes and you clothed me. I was sick and you looked after me. I was in prison and you came to visit me.
