

October 2020

To: Our Kairos Brothers and all the Residents of Pender Correctional Institution

The Kairos community of volunteers greet all of you in the name of our Lord and Savior, Jesus Christ. As the Covid-19 pandemic continues to linger on we want you to know that you remain in our thoughts and prayers.

We miss not having the opportunities to visit with you at Prayer and Share evenings as well as losing out on the past couple Kairos weekends. As we have shared many times with you, we are often encouraged and inspired by you more than you can imagine.

In the meantime, in an effort to get together and stay connected with each other we have recently begun meeting in a small group setting on the the first and third Saturday evenings, just like we have in the past with the Prayer and Share nights at Pender. We encourage and support each other while also sharing some updates that we get about Pender and that allows us to keep you in our thoughts.

So we encourage you to stay strong and know that we volunteers on the outside stand with you and have not forgotten you. We hope that in these most challenging times that you not lose hope. We have witnessed so many amazing stories of triumph in the name of Jesus at Pender Kairos gatherings and we are excited to see how He will move in your lives when we are able to gather together again!

Even when we can't see or understand it, Praise the Lord for all He is doing in each of our lives!

Blessings to all of you ... until we meet again, peace be with you,

Jim Linton  
Kairos Volunteer
