## “Our President’s Voice”: Geoffrey Grosky, President

While I strongly believe in the “Right of Free Speech” as the First Amendment of the US Constitution provides, we do NOT allow for the yelling of “FIRE” in a crowded theater. Nor do I think having a Neo-Nazi speak at a local synagogue, or a KKK Grand Wizard at an HBCU College Symposium is what our forefathers envisioned back in 1789. Vladimir Putin as a commencement speaker for one of our Military Academies would be blasphemous, and common sense and protocol would prevent it. Roger Stone, a Republican campaign adviser and self-proclaimed “dirty-tricks operative,” falls into a similar category of guest speakers who should not be invited into places where good, law abiding Americans assemble. A 7-time convicted felon, who was “pardoned” by our last Republican president, as payback for his support of that same 45th Chief Executive Officer, his support of the January 6, 2021 uprising, and his support of the “Big Lie” referencing President Biden’s 2020 election win. “Unless you can fake sincerity, you’ll get nowhere in this business” is the message that Stone espouses. It is the “selling point” of KPIT’s Republican Club in its above shown advertisement from the KPIT Life Newspaper. Faking sincerity, telling constant lies, attacking American institutions (both figuratively and literally), and doubling down when called out for, it is the modus operandi for the once proud, stand-up Republican Grand Old Party. The Democratic Club Board was alarmed and repulsed by KPIT’s allowing Mr Stone in the Club’s Cabaret Room last month. Rather than exercise our own 1st Amendment rights and actions to protest the despicable appearance, our Board via a consensus decision, chose to not give it any free pre-appearance publicity - instead to address it with our membership and with the KPIT Board. Of further note is that for this felon KPIT engagement, Stone’s entourage came ready for trouble - and from what I was able to observe 1st hand, perhaps ARMED, though I am not sure of KPIT bylaws position on weapons in the clubhouse. SHAME on KPIT & the Republican Club, as I truly believe KP residents in the building that evening, AND KPIT employees were put in actual danger March 13th, regardless of police presence, which our Club requested of the CITY. THIS EVENT TRULY HAS LEFT A SHAMEFUL & INDELIBLE STAIN AT KINGS POINT IN TAMARAC!

Random Thoughts by: Sheila Magerman-Steinman  
1st Vice President, Membership Chair

There have been back and forth emails discussing the recent legislation signed by Gov. Ron DeSantis. Topic: Legislative update requiring social media companies to get parental permission. When I commented by saying that this legislation was taking away parents’ rights by the State interfering with personal choices, the response was that such legislation was necessary.

At one time in history, parents had the final say as to what behavior was acceptable. Children were taught respect for others – a way of life that rarely exists today. Respect is no longer a word in our vocabulary – as many people will attest, especially teachers, policemen and others in authority.

Something is wrong today... and I totally agree that kids are running amok on social media, doing things that are so outrageous and harmful, so the State believes it needs to take charge of certain situations. Perhaps.

But they see that our leaders are running amok, flaunting laws and getting away with it. There are no consequences to their actions, so why not do the same thing? Bullying? Of course, We see and hear it every day. Threatening? Sure, without consequences. Lying? Of course, every day. Our society should be titled “Anything Goes.”

But I wonder how far the government is going to go to “take charge” of our lives.

All my best to you all, *Sheila*

**Maga Republicans shameful Association with Felons**

There are hundreds of 2020 election deniers in our immediate community who would be willing to be complicit with Donald Trump’s promise for retribution and attack on Democracy should he win in November. We

have a local Republican Trump club dedicated to their cult leader. That club shamefully had as guest speaker a pardoned criminally convicted felon , Roger Stone, entering our clubhouse. Stone is a Trump operative convicted on 7 felony counts and sentenced to 40 months in prison before being pardoned by Trump in the last months of his Presidency. The thought of this man walking the halls of our building was abhorrent to our Democratic club members. Our club president Geoff Grosky addressed this matter passionately to open our last Democratic Club Board Meeting, and our subsequent Wednesday night Membership Meeting.

The is the kind of man that fake patriots pledge their allegiance to under the gaslighting guidance of the twice impeached multiply indicted 21st century American traitor Donald Trump. Another R club hero is the former president’s advisor Peter Navarro who helped promote baseless claims that the 2020 election was stolen from Trump. He reported to a Miami prison last week to begin his 4 month prison term after conviction on two counts of contempt of Congress. Former Trump campaign assistant Paul Manafort was convicted on multiple charges including conspiracy to defraud the United States, and witness tampering. He was sentenced to 47 months in prison but was eventually pardoned by Trump in 2020. Several weeks ago candidate Trump asked the disgraced Manafort to join his campaign team.

Trump club fake patriots wrap themselves in the American flag figuratively and literally and claim exclusive entitlement to the concept of patriot while the true patriots are those who respect democracy and the law.

Trump and his supporters have crazily paid honor to the imprisoned Jan 6 convicts as “hostages and patriots.” A recording of a “Jan 6 choir” from that group singing the National Anthem has been played by Trump to begin his recent rallies. They are neither hostages or patriots , they are thugs. A video of the “choir” identified four who were charged with assaulting police, using a crowbar, flag sticks and chemical spray including against officer Brian Sicknick who died that day.

According to The New Pelican publication the leader of the local R club admitted in an interview that he organized transportation for five busloads of Trump supporters from Florida to attend the January 6 rally in Washington DC. He and the bus riders, he said , were in DC to support the president and to show Congress how they felt about the lack of support they were getting and their belief there was fraudulent voting in the 2020 election.

At their monthly club meetings signs like “ Trump Won” and “ Let’s Go Brandon” have been seen. It would come as no surprise if they have used the recording of the Jan.6 thug choir for the standing of the National anthem to start their meetings.

Maga Republicans association with felons and support for the worst role model for children in Presidential history, a man who not once since he has come on the scene has shown the capacity for empathy or humility and who has divided families and our country, is incredulous and shameful. Donald Trump must be defeated by Joe Biden in November.

**Editor’s note: Interestingly, Joe’s monthly article falls under the general title of “MORE OR LESS.” That is so fitting in the world of Trump’s Republican Party. MORE MAGA = LESS PROGRESS FOR ALL AMERICANS!**

**More MAGA = Less Democracy, More MAGA = Less Collaboration, More MAGA = Less Civility,  
More MAGA = Less Equality for the Middle Class, More MAGA= Less Ability for Equal Rights for Minorities,  
More MAGA = Less Truth in Political Service, More MAGA = Less Science, More MAGA = Less Green Energy,

**Qualifying for the Limited-Income Senior Exemption – Does Your Social Security Count?**  
 To qualify for the 2024 Limited-Income Senior Exemption, an applicant must be 65 years or older as of January 1, 2024 with a combined household adjusted gross income not exceeding \$36,614 for 2023. Many seniors believe they do not qualify for this exemption because their social security payments exceed this amount; however, applicants who file income taxes should look at their adjusted gross income amount (line 11 on the IRS 1040 form) to see if they do qualify for this additional savings. If you are not required to file an income tax return based on your age and income, you would qualify for this exemption. To apply for the additional Limited-Income Senior Exemption, please visit our website at <https://web.bcpa.net/bcpaclient/#SeniorExemption>  
**2024 Property Exemptions – It Is Not Too Late to Apply**

While the timely deadline to apply for any 2024 exemption was March 1, applicants can late file until September 18, 2024. If you both owned and made the property your permanent residence as of January 1, 2024, you can still apply for 2024 Homestead Exemption and any other exemptions. You can apply for all exemptions online at <https://web.bcpa.net/bcpaclient/#/Homestead> If my office can ever be of assistance to you, please do not hesitate to contact me directly at [martykiar@bcpa.net](mailto:martykiar@bcpa.net)
