THE KPIT DEMOCRATIC CLUB MOST STRONGLY URGES YOU TO SUPPORT OUR DEMOCRATIC CANDIDATES, BY VOTING IN THE PRIMARY ELECTION IN NOVEMBER, AS WELL AS THE DISTRICT 20 FINAL ELECTION, IN JANUARY, 2022.

TUESDAY, NOVEMBER 2ND... If you have not yet voted, please do so- right here at the KPIT Clubhouse!!!!.

Our President's Notes
From: Julie Fishman
November 2021
THAT ISN'T WHAT THE CLUB IS FOR

Over the past month, members of the Kings Point Democratic Club have reached out to ask who the Club is endorsing in the race for Congressional District 20. I have the same response to all who ask, **"The Club does not endorse one Democrat over another Democrat."** This gets a number of additional queries, like, "Oh I get that, but who do you really like?" or, "Okay but how do I know who to vote for?" or my favorite, "Isn't that what the Club is for?"

So the first of these is just another way of asking the same question and let me tell you that as a Board we have had numerous people try to ask this question in a variety of ways with the answer always being, "The Club does not endorse one Democrat over another Democrat."

In asking, "How do I know who to vote for?" let's make it clear that each of us is responsible for looking into the candidates or issues on the ballot. It is incumbent on the voter to research, ask questions, and come to a decision based on what you find out. That is how you know who to vote for.

The final one, "Isn't that what the Club is for?" hits hard. That means that as the President of the Kings Point Democratic Club, I haven't done my job in projecting what the Club does and the Club's responsibilities to you as members.

Here is what our KPIT Democratic Club is for:

- ◆ Educating our members on who is running and what issues will be on the ballot and where to find information on the candidates or issues;
- ◆ Bringing candidates and guest speakers to our members on a monthly basis to help our members make decisions on candidates and topics;
- ◆ Sharing what other clubs and caucus around Broward are doing;
- ◆ Sharing ways to get involved with the Democratic Party;
- ◆ Reminding people to get out and vote; and
- ◆ Meeting with our members for socializing and sharing.

If you're looking to be told who to vote for, the KPIT lobby, card & billiards rooms, gym, or jacuzzi might be the place to get the latest political gossip... but don't listen to those much, much misinformed "Trumpian Republicans!"

You ask, "Who should I vote for?." My answer, "VOTE FOR A DEMOCRAT!"

To you all. And your families... Stay safe. My sincerest wishes for much love, happiness, and great health, during this holiday season... and always.

Julie

MY RANDOM THOUGHTS

by Geoff Grosky, Editor

I intentionally chose the above photo of the Capitol Building and its protectors, as opposed to one with this same building and its attackers - the January 6th, 2021 insurrectionists. I refuse to show those damnable

US traitorous citizens in "OUR HOUSE", along with the equally treasonous White House staff and our own Congressmen and women, who were involved in the planning of these insidious actions. I also refuse to show our Capitol Building along side those who certainly gave words of comfort or encouragement that January 6th day, with results being the equally heinous acts, of inciting our own people to physically attack their government, in its honored Congressional home, along with our government's representatives and officials in that building.

INSTEAD, I WILL HIGHLIGHT A FEW OF THOSE RANKING OFFICIALS WHO ENCOURAGED THE INSURRECTIONISTS, IF NOT ACTUALLY HELPED PLAN THE ATTACK... PLACING THEM DEPICTED, JUST WHERE THEY BELONG:

Someone in the Clubhouse asked me if Governor DeSantis's refusal to let Florida's cities, towns, and counties to mandate masks, is a blow against the Republican's forever creed of State and Federal entities NOT interfering in LOCAL GOVERNMENT.

I answered that a tougher question is whether the Governor's Covid and his hiding of real numbers and dictates have caused innumerable deaths and debilitating illnesses in our state - and qualify as criminal activity by DeSantis. What do our readers think? Is the nickname, "**GOVERNOR RON DEATHSANTIS**" justified?"

BROWARD COUNTY COMMISSION OCTOBER 2021 NOTES

Michael Udine - City Commissioner, Vice Mayor -

November is the start of so many great events and happenings in our community. Turkey, football, and putting up holiday decorations are all getting us in spirit of the season. Some of us are staying home, and some are traveling, but all of us are thankful for this special time with family and friends. Please remember those who may be less fortunate, and let's all do our part to help where we can.

In October, I was honored to participate in the troop deployment ceremony of Florida National Guard. Members of this unit are comprised of residents of Broward, Miami-Dade, and Palm Beach Counties. They were deployed areas in the Middle East for approximately one year. Their service and sacrifice are a testament to their character and commitment to keep our country safe. We salute you and thank you and your loved ones for your service.

Veterans Day is November 11th. Let's take this opportunity to pay tribute to the men and women who have served in the United States Armed Forces. Please attend a local event honoring our veterans. Veterans are truly our hometown heroes. I look forward to joining residents of District 3 at these events to say thank you for all that they have done.

Broward County's Cultural Division is helping artists in our community branch out into the digital art (NFT-non-fungible token) marketplace. Last month, my office hosted a happy hour event with speakers in the NFT space to discuss the opportunities for artists and how to navigate this technology effectively. With a full house present, we will certainly be hosting future events around this topic. To watch this discussion into the world of NFTs and the future of the arts, visit broward.org/arts.

Port Everglades has opened the brand-new Heron Garage. The new garage will service Terminals 2 and 4 and provide easily accessible parking for travelers. Heron Garage is the first fully solar-powered garage at Port Everglades. Additionally, it is also equipped with moving walkways so travelers will have an easy time getting luggage to and from. Cruising is back and our Powerhouse Port is all hands-on deck for your next vacation!

Is everybody ready to go for a personal best mark in this year's Turkey Trot? Celebrating 40 years of Thanksgiving Day "trotting" in Tamarac to support the Parks and Recreation Foundation of Tamarac. Come on out for a pre-Thanksgiving meal workout and a great time with our community. I look forward to seeing you there!

Lastly, on behalf of the entire Udine family I would like to wish everyone a Happy Thanksgiving. As we all gather around our table with family and friends, let us be thankful for all of those in our lives and how fortunate we are.

The top priority for my staff and I is staying connected with the residents of District 3. We are available by phone, email, and social media. Reach me at MUdine@Broward.org or at my office at (954) 357-7003. Follow on social media @CommissionerMichaelUdine on Facebook and @MichaelUdine on Twitter or Instagram to receive important updates and see what is happening in our community. Let's connect! Sincerely, *Michael Udine*, Vice Mayor, Commissioner

Editor's Note: As always, Thank you Vice Mayor Udine - for your informative monthly letters to our membership, as well as for your continued support of our Democratic Club, here at Kings Point in Tamarac.
IT'S MUCH APPRECIATED!

Dear Kings Point Democratic Club,

Deployed Military Exemption

US military personnel deployed overseas on specified military operations may be entitled to an additional tax-saving exemption. These qualifying military operations are updated by the Florida Legislature annually, so the ones listed below may not be all encompassing as some operations may be added or removed in future years. Our office does accept pre-filing for upcoming tax year(s) depending on the dates included on the applicant's military orders. The application permits a spouse, personal representative or designee under Chapter 709, Florida Statutes, to apply on behalf of the qualifying applicant.

The application for the Deployed Military Exemption can be submitted online at <https://web.bcpa.net/bcpaclient/#/VeteransDeployed> and can also be found in the "Download Forms" section of our website at <https://web.bcpa.net> and emailed to CSEmgmt@bcpa.net

To apply for this exemption, an applicant must provide US military documentation which clearly shows the applicant's dates of active duty military service deployed outside the United States during the immediate prior year in support of one of the designated military operations: Operation Noble Eagle, Operation Joint Task Force Bravo, Operation Joint Guardian, Operations in the Balkans, Operation Nomad Shadow, Operation U.S. Airstrikes Al Qaeda in Somalia, Operation Copper Dune, Operation Georgia Deployment Program, Operation Spartan Shield, Operation Observant Compass, Operation Inherent Resolve, Operation Atlantic Resolve, Operation Freedom's Sentinel, Operation Resolute Support, Operation Juniper Shield, Operation Pacific Eagle and Operation Martillo or in support of a subordinate operation to any of the preceding. This exemption grants total exemption to an additional percentage of your assessed value, based upon the percent of the prior year you were deployed overseas in support of one of the specified military operations and requires the applicant to submit new supporting documentation each year,
