❖ **This week in Catholic History**

While the inhabitants of a small town outside of Rome were celebrating the feast of St. Mark on **April 25<sup>th</sup>, 1467**, they heard music coming from a local parish church. Then, a thick cloud descended over one of the walls, after the cloud dissipated; it revealed a new, miraculous image of Mary, holding the infant Jesus. Originally called “Our Lady of Paradise,” it is now known by the very popular title “Our Lady of Good Counsel”.

One Annual Appeal--one weekend each year—Catholic Charities comes to you seeking help and hope. If you knew you had the power to change the world at your fingertips...what would you do with it?

**PASTOR'S MESSAGE**

We are told in our first reading from the Acts of the Apostles that, “There is no salvation through anyone else, nor is there any other name under heaven given to the human race by which we are to be saved.” We find eternal life in God's gift of his Son, our Lord and Savior, Jesus Christ. Through the passion and death of Jesus, our sins can be forgiven and through his resurrection we can share in the glory of eternal life.

Only in relationship with God do we find salvation. The things of this world may entertain us and may even provide a sense of security in a quickly changing world. We cannot, however, become distracted by worldly things from what is truly important and what brings true peace to our hearts and lives. The only lasting blessings are found in the Lord and in a relationship with God. May God help us keep our priorities in proper order and may our desire for the Lord and God's gifts remain first in our lives.

God bless,

Fr. Greg Havel
