PRAISE GOD.
IN DIFFICULT MOMENTS,
SEEK God.
IN QUIET MOMENTS,
trust GOD.
IN EVERY MOMENT,
THANK *God.*”

❖ **Traveling and Mass Times**

If you are traveling this summer and are wondering where and when Mass is being celebrated, here is a phone number, nation-wide, to call: 1-800-627-7846 or internet: www.masstimes.org

I am not sure exactly what heaven will be like, but I know that when we die and it comes time for God to judge us, he will not ask, "How many good things have you done in your life?" Rather he will ask, "How much love did you put into what you did."

I say to you,
unless you eat
the flesh of the
Son of Man
and drink his
blood, you do
not have life

Whoever eats
my flesh and
drinks my
blood has
eternal life
and I will
raise him on
the last day.”*

PASTOR’S MESSAGE

Again this weekend we hear Jesus teach about the gift of the Eucharist. He says, “Amen, amen, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you. Whoever eats my flesh and drinks my blood has eternal life and I will raise him on the last day.” It almost seems that Jesus is saying to us that this is so important I want to make sure you hear it.

The gifts of God come to us in wonderful ways. They are however, not magic. They require an act of faith on our behalf. We are called to believe that God loves us enough to do miraculous things for us. We then accept the gifts of God in faith and use them as a source of blessing for ourselves and others.

Come Lord Jesus and increase the faith of your people.

I am well into the second month of my new assignment as parochial administrator of the parishes in Hokah, Houston, and Rushford. I have been reminded of an important part of life. People are more important than things. This is essential to always remember in each of our lives and families.

Sometimes the temptation is to do more projects or work more hours to make more money to buy more stuff. The more hours that we are working means less time available to be with our spouses or families. The truth that people are more important than things when lived out in our daily lives, allows us to keep our priorities in line and becomes a source of blessing in our lives.

God bless,
Father Havel
