**What energy level are you seeking?**

- Sporty, high-energy family dog who could blow away the competition on the Agility course. Needs and wants daily exercise. Obedient and human focused. Enjoys training!

- A medium energy family house dog with lots of patience with kids and toddlers. Is playful but gentle and has an off switch. Doesn't mind watching TV or playing in the backyard but doesn't need to be super active everyday.
- A lower energy family dog who's more of a lap dog then an all star athlete. Loves to cuddle and hang out and needs minimal exercise.
- Not as concerned about energy levels... I just want a good family dog and really any energy level will work for me!
