# ACHIEVEMENTS & CHALLENGES

Covers the achievements and each team has managed to realize in the month.

## ACHIEVEMENTS

- All the teams have been able to consistently keep training and improve their outreach. We have an increase of 282 trainees.
- All graduations are complete and all teams have actively started Cycle 2 of the trainings.
- The mission to have the devotions before every class is now successfully adopted into each training group therefore wholistic edification of the beneficiaries.

## CHALLENGES

- El-nino rains started this September and they have distabilized the team in Kajiado due to flashfloods and breaking of seasonal river banks.
- With the rains come power outages in Kenya and some of the teams have had challenges with remitting their reports especially those in Kakamega, Kwale and Kajiado.

## PART 03

### KEY LEARNINGS & REFLECTIONS

What has the team taught to their students & learnt and what spiritual impact did it have ?

## NAKURU

The teams slogan has been the Lord is faithful and that He never fails. I have watched them struggle with leadership but still emerged faithful and stronger.

## KWALE

There is such a hunger in this women to multiply with some of the best students in this class even attendig class the second time.

## KAJIADO

It is the joy of the Lord that keeps this group going. With a lot of resilience and still praising God they keep going on.  
The weather has not stopped this groups spirit.

## KAKAMEGA

If there is one thing that the youth here have been commended for is their discipline and resilience keeping them off vices.

# KAJIADO TEAM TRAINING

- WORD FROM THE TEAM LEAD -

It has been a really trying month for me as team lead. Trying to balance work and heavy personal life issues have taken a toll on me. None the less; the grace of God is sufficient and the teams have held on well.
