| PROPOSAL TITLE: | Technology Makerspace Supplies |
| Date Proposed: | 1/12/23 |
| Your Name/Department: | Shereen Bastani/Elective Department |
| Email: | Sbastani@sandi.net |
| Type of Proposal/Project: (grant, etc.) | Supplies Grant |
| Proposal Description: | I am in need of refreshing our Makerspace supplies. Many projects require consumable items that I am in need of purchasing for upcoming engineering projects with microcontrollers. These projects allow students to create and make products in the physical computing space. These hands-on activities are important to understanding how coding can be used in the real world. |
| Please provide a thorough description of your proposal. | |
| Please provide an explanation of the proposal and a justification for the funding requested: | |
| Please provide details re: how this proposal will be implemented, and elaborate on why the costs as proposed represent the best implementation. | I have found items on Amazon that I am in need of. These are things that have been broken, used up, or items such as batteries that have simply run out of "juice". |
| Cost \$: | \$345 |
| Who will it benefit, how and why? | All tech students will benefit from these things. |
| Percentage of students affected by this proposal: | 163 students at Dana (1/4 of school) |

THANK FOR YOU SUBMITTING YOUR PROPOSAL.
