FINANCIAL POLICY

Patient Name: _____ **Date of Birth:** _____

Thank you for choosing Impressions Pediatric Therapy for your child's therapy needs. Our mission at Impressions Pediatric Therapy is "helping you, help your child, achieve his or her goals".

Insurance Benefits:

It is not the responsibility of Impressions Pediatric Therapy to quote your insurance benefits. It is your responsibility to know and understand your benefits and address with your insurance company, any questions you may have pertaining to your benefits. Impressions Pediatric Therapy does contact your insurance company for a quote of benefits but this is not a guarantee of payment or coverage. We are not party to your contract or changes within that contract. We will not become involved in disputes between you and your insurance company regarding deductibles, copayments, covered charges, "usual and customary" charges, etc. other than to supply factual information as necessary.

Filing Insurance:

As a courtesy, Impressions Pediatric Therapy will file a claim to your primary insurance carrier on your behalf. However, you are ultimately responsible for payment of your bill. As stated earlier, your insurance policy is a contract between you and your insurance company. Impressions Pediatric Therapy will call on any unpaid claim(s) at least every 30 days. The family should call at least monthly to be sure claims are received and being processed. After 60 days, Impressions Pediatric Therapy will inform patients of unpaid claims. After 90 days without payment, the family will be responsible to begin paying on their account balance and private pay future appointments in order to remain on the treatment schedule. If a claim has been denied and is going through the appeals process, the family must begin paying on the balance and private paying new treatment sessions. As the client, you agree that if you default on any balance owed to Impressions Pediatric Therapy and it becomes necessary for Impressions Pediatric Therapy to engage the services of an attorney, collection agency or other lawful method of collection, you, the client, will pay the original balance owed and reimburse Impressions Pediatric Therapy for all costs incurred by the collection of said debt.

Copays, deductibles and coinsurance:

All copays are due at the time services are rendered. If your policy has a deducible, that has not been met, we collect a $50.00 payment at each appointment until the first Explanation of Benefits (EOB) is received from your insurance company. Any balance they have left for that date, you will have to pay at your next appointment. Any deducible and/or coinsurance amount is due upon receipt of the EOB in our office, at your appointment. For your convenience, we accept Visa, MasterCard and Discover in the office and over the phone. We can also keep your credit card on file.

I give my consent to any appropriate and medically necessary procedures, medication, services or therapies that would be included in the treatment as required by the primary care physician or supervised staff for the above named person.
I understand and acknowledge that I am financially responsible for all charges incurred during treatment at Impressions Pediatric Therapy, whether or not paid by insurance, rendered for the above named person.

The adult accompanying the patient is responsible for payment, for that day. We do not get involved in custody or other financial arrangements between parents. We will provide a receipt, if needed, so you can collect from another party.

REIMBURSEMENT POLICY

The family is responsible to call their insurance company and be aware of their benefits. They are responsible to pay out of pocket fees at the time of service. Families need to keep track of the number of visits or when pre-certification is necessary. The number of visits and the payment of all claims is the responsibility of the family and not Impressions Pediatric Therapy.

Impressions Pediatric Therapy will call your insurance company, in addition to your call, to verify benefits. This is not proof of insurance payment! We also track the number of visits, but it is not our responsibility.

Impressions Pediatric Therapy, as a benefit to our clients, will submit claims to your insurance. This again is not our responsibility, but it being provided as a benefit to you.

Unpaid claims are called on Impressions Pediatric Therapy at least every 30 days.

Families should call at least monthly to be sure claims are received and being processed.

After 60 days, Impressions Pediatric Therapy will inform patients of unpaid claims.

After 90 days without payment, the family will be responsible to begin paying on their account balance and private pay future appointments in order to remain on the treatment schedule.

If a claim has been denied and is going through the appeals process, the family must begin paying on the balance and private paying new treatment sessions.

Much of this can be avoided by knowing your policy and following up on your claims. The bills are ultimately your responsibility. Impressions Pediatric Therapy is only required, once treatment is provided, to give you the information to get reimbursed from your insurance company. Submitting the claims is not our responsibility, but a benefit to you.

Please help us to keep our costs down and to continue to provide the best quality care possible.

Thank you,
- Impressions Pediatric Therapy

CANCELLATION POLICY

Patient Name:	ID#:

Our greatest desire is to deliver our patient's the highest level of care available in order to maximize the benefits of therapy. Consistent attendance demonstrates patient commitment and leads to better potential for patient progress. With your help this can be accomplished.

Our payer sources are requesting daily progress notes as part of the review process for authorization of payment for therapy sessions. All absences are noted and require a reason for the cancellation to be noted. Excused absences include patient illness with doctor's note or note from the parent indicating the reason for cancellation. Extenuating circumstances of absences will be considered. Numerous absences or no shows may result in lack of child's progress in therapy.

Impressions Pediatric Therapy will enforce the attendance policy for clients who do not show or fail to cancel a therapy session with at least 24 hours prior notice, a $35 no show fee will be required. In order to avoid being discharged from the therapy program your child will need to maintain an 85% attendance rate. Notifications of vacations or family obligations are requested at least two weeks prior to the expected absence, to facilitate rescheduling appointment(s).

Same Day Cancellation = Patient has not given 24 hours or more notice.
No Show = Patient has not given 24 hour notice or has not called to cancel.

Rescheduling Appointments

Every attempt should be made to reschedule unattended therapy sessions. Rescheduled sessions may occur with the patient's therapist or other therapists. If your therapist is ill or on vacation, Impressions Pediatric Therapy will provide a substitute therapist to ensure continuation of services. We will make every effort to schedule the therapist at your regularly scheduled appointment time. If this cannot occur, Impressions Pediatric Therapy will provide an alternate appointment time.

Saturday Appointments(If applicable to your location)

Saturday appointments were made available in order to meet the needs of our patients who are not able to make therapy sessions during the week. There continues to be a growing need for Saturday appointments. Due to this growing need on Saturdays, it would not be fair to hold open appointments for patients who do not show or frequently cancel. Therefore, Impressions Pediatric Therapy's policy for Saturday appointments is:

A patient will be removed from the Saturday schedule after one (1) "No Show".

Thank you for the opportunity to work with you, or your child. If you have any questions or concerns, please call and speak to the Office Manager or Directors of Rehabilitation assigned to your location.
