Kid WISE (formally known as Concurrent Care for Children) is inviting you to a zoom event on Thursday, November 16th at noon to learn more about our program.

- We care for children, neonates to 21 years old, with life-limiting illnesses.
- Patients may continue to receive curative, life-prolonging treatments.
- Patients may continue to see their current pediatrician and specialists.
- Our services include symptom and pain management, music therapy, massage therapy, spiritual care, legacy making, and grief support.
- We focus on improved quality of life.
- We provide services in the child's home.
- We collaborate with the child's existing medical team.
- We care for children from Salinas to Los Gatos

Please let me know if you have any questions or would like to schedule a different day or time for a zoom meeting. You can also review our website for more information at www.kidwisecare.org

Please feel free to share this invitation by forwarding this email to others.

Thursday, November 16th at noon via Zoom (see link below)
