### **SOCIAL MEDIA CODE OF CONDUCT**

As student-athletes, you have the responsibility to portray your team and yourself in a positive and constructive manner at all times. Sometimes, this means doing things that are an inconvenience to you, but benefit the whole team. Social Media accounts are very powerful tools, but their usage can have unintended consequences for your and your team.

Student-athletes should be aware that third-parties, including opposing teams and league officials – could easily access your profile and view all of your personal information. This includes pictures, videos, comments and the like. Inappropriate material found by third-parties can negatively affect the perception of the other student-athletes on the team as well as the MC Warrior Youth Football and cheer. This can be detrimental to a student-athlete’s future with our program, and other future programs that they may wish to participate in, to include, high school and college teams.

Examples of inappropriate and offensive behaviors that may result in negative consequences include, but are not limited to:

- Photos, video or comments showing the personal use of alcohol, drugs or tobacco
- Photos, video or comments that are of a sexual nature
- Photos, videos or comments that condone drug-related activities
- Content that is unsportsmanlike, derogatory, demeaning or threatening toward any other individual or entity (i.e. opposing teams or players, MC Warriors players, cheer members, coaches, and board members, game officials, or the NYFL)

If a student-athlete's profile or on-line activity is found to be inappropriate or offensive, he/she will be subject to the following sanctions:

- 1<sup>st</sup> Offense – Verbal Warning
- 2<sup>nd</sup> Offense – Written Warning
