

NEWS FLASH: The Schweitzer Prime Timer (PT) discount pass program is back for the 24-25 season for our current 2024 members. Season Passes for 24-25 go on sale March 15.

There are a few important changes so please **read the entire document** that Schweitzer shared with us along with this summarized information.

WHAT'S THE SAME? The Prime Timer discount (“pass deal”) is offered to all current 2024 dues paying members who are 65 years old by December 31, 2024. Those PT members are able to purchase a 7 day Unlimited pass for the 6 day Limited price. Prices vary according to the date of purchase. Those who purchase by May 31 to get the lowest rate. The Unlimited Pass Program deal is only available until December 1, 2024. If you purchase a pass without being identified as a Prime Timer, there will be no exchanges or upgrades.

WHAT'S DIFFERENT?

1). You **MUST** decide **BEFORE** you purchase your pass if you want to buy the Schweitzer specific pass or the IKON pass. This year, an exchange program will **NOT** be offered. If you want unlimited days at Schweitzer with no blackouts and travel to multiple other mountains, the Full IKON pass may be for you. There are discounts on the IKON pass available to retired military and nurses who are currently working (active). Check out ikonpass.com.

2. **NEW INFORMATION:** IF you choose to purchase an Unlimited IKON pass **AND** have a 23-24 Schweitzer Unlimited pass, you are eligible to purchase the Unlimited IKON pass at the renewal rate. However, you will need a **DIFFERENT** unique code to complete this purchase. Please call Guest Services at 208-263-9555 to obtain the new code. Your Prime Timer discount code will not work. The new code will not be available immediately from Guest Services personnel. Please be patient.

3. Each current Prime Timer member eligible for the discount will receive a unique code to purchase the discounted Schweitzer pass. The code will be sent by email so you must have your current email registered correctly with the Schweitzer Prime Timers (SPT). The Prime Timers send a list of current **paid** members with their email address and date of birth to Guest Services once or twice a week. From the time you sign up and if you've paid using the online option, **please allow at least 10 days** to receive your

code. **Do not try to order before you receive your code.** You may call Guest Services if you do not receive your code within **10 days** after your paid your dues have been received.

4). The Schweitzer specific pass on this Prime Timer deal **must** be purchased on the IKON site, ikonpass.com using your unique code. When you enter this site you can also check out the IKON pass offerings.

All passes must be purchased through either ikonpass.com or through the IKON Call Center at 1-888-IKON once the member has their unique discount code. Passes are not available for purchase at the Guest Services desk.

5). The purchase price for the “SPT DEAL” is NOT based on the renewal/re-load price. Our \$150 discount is based on the non-renewal price of \$949. Therefore, our “pass deal” purchase price is \$799 before May 31 and will vary according to the listed time periods.

6). Current Associate Prime Timers (those 80+ years young) are able to purchase the 80+ pass. However, this is the pass that you must actually be 80 when you purchase your pass. For example, if your birthday is in July, you may only purchase this pass on or after your 80th birthday, at the July pricing.
