## FARMER FOR A DAY PROGRAM FOR SPECIAL NEEDS FOLKS OF ALL AGES

Learn educational and leadership skills by caring for the farm animals and growing vegetables and flowers in the raised garden!

*This once-a-week* morning program is free to all special needs participants of all ages. Group homes and schools welcome.

Learn to feed, clean and care for the animals including gardening and farm maintenance.

Caregivers must stay with their clients and visits are by appointment only. Most participants stay for about an hour in this farm program, depending on their disability.

You may choose to work with the animals, the garden or both! We understand one may not be able to come each week but that is OK. Do your best to commit to coming weekly-weather permitting. The animals look forward to your friendship!

For more information about this program and other special events call the farm at 231-462-3732 or see our web site at [www.circlerockingsfarm.org](http://www.circlerockingsfarm.org)
