## Complimentary Packaging Waiver Form

We care about your items!

I \_\_\_\_\_(sign your name) waive the complimentary wrapping and packaging before transits. It's better for me to save time than for them to wrap my furniture. I waiver ASOM CO LLC from any liability resulting from unsecured items within my entire move.

We CARE about your move & want your items to be safe. Our service guarantee is to have your items arrive timely and safe.

Here's the fine print to accept our services:

I acknowledge that packing, loading, transporting, and unloading property creates certain risk to my property myself and anyone present at locations being serviced. Property and items may be broken, dropped, scratched, Lost, or otherwise damaged. No liability shall be provided for the mechanical or electrical arrangement of pianos, radios, clocks, computers, refrigerators, television, electrical devices, washer/dryers, or other instruments or appliances. The company will also not be responsible for the risk or loss of cash, checks, documents, tickets, deeds, manuscripts, blueprints, plans, specifications, or other valuable papers. Neither Jules, jewelry, gems, precious metals, gold, silver, or platinum articles, silverware, coffee Service sets, trays, candlesticks, and dishes) Watches, precious stones, pearls, fires or garments trimmed with fire, currency, money, bouillon, bonds, notes, stocks, stock certificates or other securities, accounts bills, bills of exchange, evidence of debt, credit cards, postage stamps, stamp collections, revenue, trading-or letter Packets of letters not specifically listed on the shipping document by description and value. Or alcohol, prescription medication, damages to fire or items lined with fire, particleboard furniture, firearms and or ammunition, and any other personal items of value. THE COMPANY STRONGLY RECOMMENDS THAT YOU PERSONALLY MOVE ITEMS OF SIGNIFICANT MONETARY WORTH OR PERSONAL VALUE.

Further, I understand transporting or preparing to transport televisions, electrical devices, and home appliances is dangerous and can result in injury or damage. The company will use the items as their condition before the Moving Services took place cannot be determined. Items may have been previously installed improperly.
