

FIFTH ANNUAL

Southern
Enduro Riders Association

1979

AWARDS DINNER

JANUARY 19, 1980

T.W.

FOREWORD

Welcome to the 5th Annual Southern Enduro Riders Association Banquet. S.E.R.A. is one of the biggest and best of its kind. She is known nationwide for her growth and ability to organize and to move forward with new and different ideas. There have been many dedicated men who have made this organization what it is today. Through their thoughts and ideas S.E.R.A. has grown to its capacity today. With her 500 members and related clubs we should all feel proud to be a part of this ever growing organization.

We owe a lot of thanks to all of these clubs sponsoring Enduro events. Also to all the hard working members who are the real backbone of these clubs. For if it were not for them working so hard in putting on an event we would not be here tonight.

This past year of 1979 has been a hectic season for us all. With 13 point paying events and 2 qualifiers, we all enjoyed a great season in five different states.

Nineteen eighty has 11 point paying events and 2 qualifying events for point payers next year. Also, the Perry Mountain Motorcycle Club is hosting the two day qualifying event again this year. We also have 2 clubs sponsoring Women and Children's events.

S.E.R.A. has a very exciting year laid out for us. And we are all very anxious to get started with it. Let's remember the things we did wrong and the things we did right and put together even better events for the up-coming season.

To all members and families of the Southern Enduro Riders Association, I wish you a safe and fun-filled season.

Chris Rodemann, III
S.E.R.A. Chairman
