

2020 SERA Awards Book

Start Here

As the 2020 year comes to an end also comes an end to my time as a volunteer in SERA.

As the President for the last 2 years, I was fortunate to have a great team of officers that helped make being a volunteer a little less stressful.

As I step down as President, I would like everyone that participates in SERA that has never volunteered to give it a try so you can truly understand what it takes to put on a series that is 100% volunteer-run.

So, my closing word is "volunteer."

When you see a SERA volunteer, please thank them for volunteering their free time to help give us the opportunity to do what we love --

RACE DIRTBIKES

Thank you all.
