

Van-Centre Used Forklift Warranty and Payment Policy

1. Warranty Period:

Van-Centre Forklifts offers a limited 30-day warranty on used forklift purchases. This warranty begins from the date of purchase and covers the operational condition of the forklift for a period of 30 days.

2. Coverage:

This warranty covers mechanical and electrical components necessary for the proper functioning of the forklift. It includes the engine, transmission, and essential operational systems. We stand behind the quality of our used forklifts during the 30-day warranty period.

3. Exclusions:

The following items are not covered by this warranty:

- Tires
- Hoses
- General wear and tear
- Damage caused by misuse or abuse

4. Payment Terms:

Payment in full is required before the used forklifts leave our facility. We accept various payment methods, and full payment must be made according to the agreed-upon terms.

5. Governing Laws:

This warranty policy is subject to the governing laws of British Columbia, Canada. Any disputes or legal matters arising from used forklift purchases shall be resolved in accordance with the laws of British Columbia.
