

## **BATTLEFIELD ACUPUNCTURE**

### **PAIN MANAGEMENT**

A modern Acupuncture protocol for combating pain fast, by the insertion of semi-permanent needles into the ear. these needles are left in place for 3-4 days before they naturally fall out. Little or no side effects have been reported, making them a safe alternative to pharmaceuticals.

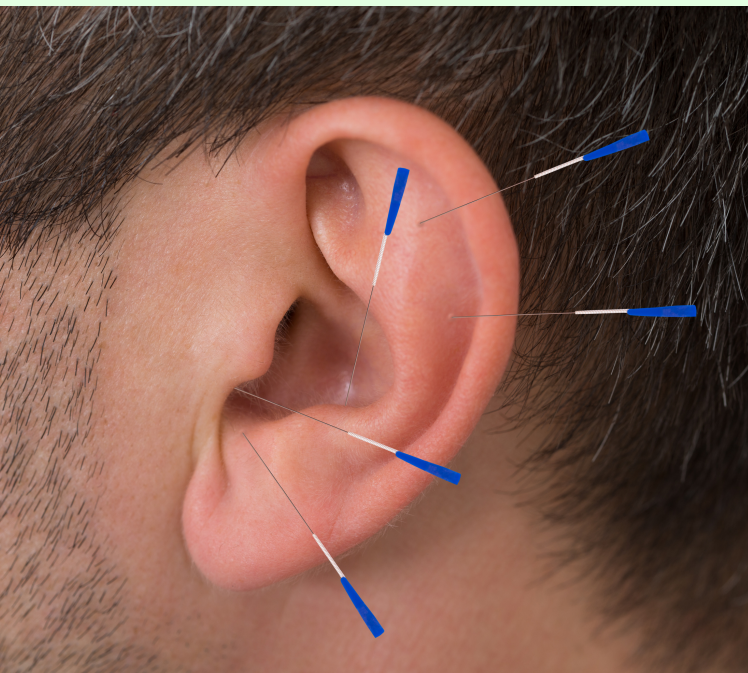

**Accredited training for: Nurse's, HAC'S, Dr's and Midwife's**
