Funny for the Month

Makes a good story but for the record, it's not my story

I would like to share an experience about drinking and driving. As you well know, some of us have been known to have had brushes with the authorities on our way home from the odd social session over the years. A couple of nights ago, I was out for a few drinks with some friends and had a few too many beers and some rather nice red wine. Knowing full well I may have been slightly over the limit, I did something I've never done before. I took a bus home. Sure enough, I passed a police roadblock but as it was a bus they waved it past. I arrived home safely without incident, which was a real surprise, as I have never driven a bus before and am not sure where I got it!
