## Sharing the Gospel with Children

Being part of a family means that everybody works together. Your parents work to give you a good place to live, food to eat, and clothes to wear. You probably help with jobs around the house, too, like picking up your toys, taking the garbage out, or setting the table. Each person in the family has work to do. The same is true in God's family. God has special work for us to do, especially to help others. Find happiness in your work.

### Prayer

Dear God, help me enjoy helping my family and others.

### Mission for the Week

If you know of people in your church who are very old or sick, talk to your family about ways to help them. You could rake leaves for them, help them clean their house, or bring them groceries. Help with a smile.

### Something to Draw

Draw a picture of yourself setting the table for dinner.
