CLC Make A Difference Day and Annual Meeting Charity for 2021 Is Lifeline of Ohio

As in years past, CLC has chosen a charity to support with monetary donation for Make A Difference Day. This year Lifeline of Ohio will be the recipient of our annual giving. Lifeline of Ohio is an organ, eye and tissue donation organization.

We all can make a differenceLifeline of Ohio offers a wide array of ways to become involved and spread awareness of organ, eye and tissue donation. Whether it be by becoming one of our Donate Life Ambassadors, having one of our educators speak to your classroom (virtually or in-person), hosting a donor drive at your workplace or faith organization, we have something for everyone. The solution to the critical need for more registered donors is one in which everyone can play a role—together we become a powerful force to save and heal lives through donation.

Joined in life. Connected by faith. When a family is faced with losing a loved one, they often reach out to their faith leader for spiritual guidance and to ask about their faith's perspective on organ, eye and tissue donation. When faith leaders encourage their members to learn the facts and to register their donation decision before a family crisis, the burden of making a decision is lessened.

During the virtual annual meeting we will hear from a representative for the organization as well as a family member of a recipient. You will hear how Lifeline of Ohio saves lives and changes families when in the hours of desperation.

If you would like to donate to Lifeline of Ohio we ask that you mail your check to the Home Office no later than October 01, 2021.

FAIRY'S FACTS

Welcome to August. It seems like summer just started but already everyone is talking about getting ready for school. Time continues to move faster and faster.

The Home Office continues to be closed to visitors. The office staff will continue to work on a hybrid schedule, from home and the office, as our employees and their health remain priority.

The Home Office is being decorated, at this time, with the coloring contest entries. Our young members are very talented. I enjoy seeing their creativity. All entries are due to the office by August 17, 2021. Each entrant will be eligible to receive a K.I.D.S. policy if the underwriting requirements are met. Good luck! Remember, a life insurance policy is always a good purchase for our children and grandchildren. Along with being eligible for the coloring contest they will also be eligible for the CLC Scholarships.

2021 is CLC's Board member election year. If you are a policy holder, age 18 or older, please remember to vote. The CLC Board conducts the business and the fraternal affairs of the society. Your vote is a privilege as a policy holder. You are able to vote online or by returning the ballot you received in the mail. If you have any questions, please call the home office at 800-845-0494.

The Annual meeting will be held virtually on October 9, 2021. For updates on how to view the meeting check out the CLC website at theclc.org. The board has chosen Lifeline of Ohio as the charity for the 2021 Annual meeting and October 23, Make a Difference Day. As an independent, non-profit organization, Lifeline of Ohio promotes and coordinates the donation of human organs and tissue for transplant, helping to save and heal lives in Ohio and beyond. If you or your council would like to support this great organization, please send your donation to the CLC Home Office. For more information checkout the lifelineofohio.org website.

Members share in the spiritual benefits of being enrolled in a perpetual membership with the Sisters of Notre Dame. If you need a special prayer, individual requests can be sent directly to Sister Deb by sending an email to clcprayerrequests@gmail.com. Local councils have annual Masses for their living and deceased members. If requested, CLC council members will offer prayers at a member's funeral services. Even in death, CLC supports and honors our members.
