## 2024

Featuring:

*Honeybloom* moda  
*3 Sisters*

Honeybloom is inspired by light and airy spring days  
and walks through secret gardens in spinning dresses --  
watching the clouds with your best friend in a field of tall  
wildflowers. Featuring soft florals in shades of aqua,  
yellow and taupe, the collection of prints are delicate,  
sophisticated, and romantic with a crisp, fresh feel.

Join the fun of the 24th  
Maine Quilt Shop Hop!
