Caution: If you are required to file 250 or more information returns of any one type, you must file electronically. If you are required to file electronically but fail to do so, and you do not have an approved waiver, you may be subject to a penalty. The Taxpayer First Act of 2019, enacted July 1, 2019, authorized the Department of the Treasury and the IRS to issue regulations that reduce the 250-return requirement for 2021 tax returns. If those regulations are issued and effective for 2021 tax returns required to be filed in 2022, we will post an article at www.irs.gov/Form1099 explaining the change. Until regulations are issued, however, the number remains at 250, as reflected in these instructions. For more information, see part F in the 2021 General Instructions for Certain Information Returns.

Forms 1099-QA and 5498-QA can be filed on paper only, regardless of the number of returns.
