

JUDGE DALE SPILLS THE BEANS ON BANKS, THE COURTS AND GOVERNMENTS

During May 2012, a retired United States Judge released an article in which he exposed the entire banking and corporate government scam. I sincerely hope that this will be picked up by judges all over the world, as they realise they are being used as instruments of an unjust, corrupt system, which is enslaving their brother and sisters and all other fellow human beings. This is what Judge Dale has to say:

PREFACE: By Judge Dale (Retired)

I didn't plan on writing a PART 5 but given the global movement in play to collapse the fiat financial dominance, historically created and controlled by the Vatican; European Royal and Elite plus the retaliatory efforts by the United States Corporation to recoup their control of America; I felt a need to point out the flaws in their CORPORATE PROCESS.

You probably identify with this CORPORATE PROCESS as LEGAL PROCESS but it really isn't about what is legal or lawful because all process is about the enforcement of CONTRACTS or the imposition and enforcement of CORPORATE REGULATIONS called STATUTES. The best advice you will ever receive is to: AVOID THEIR COURTS WHENEVER POSSIBLE. There is NO justice to be found in those Courts unless you are a member of the Vatican; the Royal or Elite, or have purchased Diplomatic Immunity!

1) THE COURTS:

The only Constitutional Court in America is the International Court of Trades, which was created because no Foreign Nation Government would Trade with the Corporate United States, until they provided a way for these Foreign Nations to enforce their Trade Agreements with America.

NOTE: Historically, the World Court was created to provide Nations with a venue to enforce their Trade Agreements but the Corporate United States refused the Courts invitation to participate because they were denied control over the Court.

All of the other American Courts are pseudo courts or fictions and simply are Corporate Administrative Offices designed to resemble Courts and all of their Judges are simply Executive Administrators designed to resemble Judges.

The purpose of these pseudo Corporate Courts are only to settle contract disputes and since George Washington's government was military in structure; if either party refuses to participate, these Courts cannot become involved and the dispute is dead in the water! My use of the term "dead in the water" is not a canard because these pseudo Courts are unconstitutional Courts of Admiralty, the International Law of the Sea!

The Washington Monument was completed in 1884, as a tribute to George Washington and his military government, which is actually a sea-level obelisk that infers that all of America is "under water" and thus subject to the Laws of Admiralty as opposed or contrary to the intended Constitutional Civilian Government under Common Law.

The pseudo Judges of these pseudo Courts have NO powers without the Consent of both the Plaintiff and the Defendant. [AND] In every case the Judge must determine

that he has Consent; Personam and Subject Matter Jurisdiction before he can act or access the Cesta Que Trust.

NOTE: All tradeable Securities must be assigned a CUSIP NUMBER before it can be offered to investors. Birth Certificates and Social Security Applications are converted into Government Securities; assigned a CUSIP NUMBER; grouped into lots and then are marketed as a Mutual Fund Investment. Upon maturity, the profits are moved into a GOVERNMENT CESTA QUE TRUST and if you are still alive, the certified documents are reinvested. It is the funds contained in this CESTA QUE TRUST that the Judge, Clerk and County Prosecutor are really after or interested in! This Trust actually pays all of your debts but nobody tells you that because the Elite consider those assets to be their property and the Federal Reserve System is responsible for the management of those Investments.

Social Security; SSI; SSD; Medicare and Medicaid are all financed by the Trust. The government makes you pay TAXES and a portion of your wages supposedly to pay for these services, which they can borrow at any time for any reason since they cannot access the CESTA QUE TRUST to finance their Wars or to bail out Wall Street and their patron Corporations.

The public is encouraged to purchase all kinds of insurance protection when the TRUST actually pays for all physical damages; medical costs; new technology and death benefits. The hype to purchase insurance is a ploy to keep us in poverty and profit off our stupidity because the Vatican owns the controlling interest in all Insurance Companies.

You may receive a monthly statement from a Mortgage Company; Loan Company or Utility Company, which usually has already been paid by the TRUST. Almost all of these corporate businesses double dip and hope that you have been conditioned well enough by their Credit Scams, to pay them a second time. Instead of paying that Statement next time, sign it approved and mail it back to them. If they then contact you about payment, ask them to send you a TRUE BILL instead of a Statement and you will be glad to pay it? A Statement documents what was due and paid, whereas a TRUE BILL represents only what is due. Banks and Utility Companies have direct access into these CESTA QUE TRUST and all they needed was your name; social security number and signature.

2) CRIMINAL LAW:

There are NO Criminal Laws in America because Criminal Laws would imply that the Corporate United States Government are Sovereign that have absolute power over all living, flesh and blood Americans, which of course is not true because a corporation is a fiction and therefore cannot be Sovereign. Man is Sovereign and is in control of his own destiny and one day he will finally wake up and realize this to be true!

There is however Criminal Contracts being enforced against us and with our Consent, which are surreptitiously called: Criminal Statutes. Our Consent has been obtained by them visa vie our silence and failure to act or protest, which under law is defined as: Tacit Procuration.

(e.g.) Tacit Procuration: If someone accuses you of theft in writing and you fail to respond or deny those allegations in writing, your failure to deny or act is considered an admission of guilt! (or) You receive a Bill for goods or services that you never

ordered or received, and you fail to deny those allegations, your omission represents the truth of the matter, which imposes an obligation to pay! Collection companies frequently use Tacit Procuration to establish indebtedness to them on a discharged debt they had purchased from some corporate business.

"Now you're probably thinking: No Criminal Laws? Well, that can't be true? A whole lot of people have been tried; convicted and are doing time in American Jails for breaking Criminal Laws!"

And my response to that is: True, they are in Jail because they unknowingly accepted the Criminal Contract on behalf of their Birth Certificate and consented to be imprisoned as a condition of their conviction and punishment. Their lawyer didn't help any because he reinforced that situation by and through his Notice of Appearance to represent you. It is the Birth Certificate that is under arrest, which I will explain shortly!

NOTE: Criminal Contracts are graded according to the severity of the crime alleged and that grading is identified as either: Summary; Misdemeanour; Felony or Capital offences.

The Criminal Process usually begins with a Police Officer issuing a Citation [or] making an arrest with or without a Warrant [or] the Police Officer [or] County Attorney prepares a complaint based upon a sworn affidavit or an information, which is presented to a Judge and a Warrant is then issued. The defendant is subsequently arrested and is brought before a Judge for arraignment.

The Complaint and Warrant will reflect your [BIRTH NAME] or identify you as a [JOHN DOE], if your name is unknown, which is typed out in all capital letters! This is not a mistake on their part because it is your Birth Certificate that is under arrest and not your living, flesh and blood person. The hope of these pseudo Courts is that the flesh and blood person will be intimidated enough to accept responsibility for the Birth Certificate! Sounds crazy but nothing is what it seems: "It's all Smoke and Mirrors."

Most Police Officer's do not know or have these details and believe in what they are doing and believe the lawyers who counsel them in law like they are Gods! Big mistake on their part because just like everyone else, they too have been vigorously lied to! You can't trust lawyers to be inherently honest!

Police Officers are instructed to always print or type the Defendants Name in capital letters but they are never told the reason why! As a precaution, you should always carry a copy of your Birth Certificate with you as part of your identification papers, which I will explain in the next paragraph.

At your Arraignment or Trial, the Judge will ask you if you are the named individual [ALL CAPS BIRTH NAME] on the complaint and your natural response will be to answer in the affirmative but that is exactly what you don't want to do!

Remove your Birth Certificate and respond to him by stating: I am making a Special Limited Appearance on behalf of the defendant who is right here and [hold up your Birth Certificate!]

Then state the following: As I understand this process Judge; the County Attorney (state prosecutor) [or] Police Officer has levelled a criminal charge with the Clerk and against the TRUST, using the ALL CAPS NAME that appears on this BIRTH CERTIFICATE! The use of capital letters is dictated by the US Printing Style Manual, which explains how to identify a CORPORATION.

The Clerk, who is the ADMINISTRATOR of the CESTA QUE TRUST, then, appointed

you Judge as the TRUSTEE for the TRUST and since neither of you can be the BENEFICIARY, that leaves me and therefore you are MY TRUSTEE!

So as MY TRUSTEE, I instruct you to discharge this entire matter, with prejudice and award the penalties for these crimes to be paid to me in compensation and damages for my false arrest!

NOTE: The Law of Trusts dictates that an Administrator; Trustee and Beneficiary cannot serve two positions in a Trust. So a Trustee cannot be a Beneficiary too! The TRUSTEE Judge has no alternative but to honour your demands but you have to get this right and act with confidence! You really need to know this information well, so that you can't be hoodwinked or confused by either of them! They will or may attempt to play some mind games with you if you display any doubt; stammer or display a lack confidence! Appearances [the pomp and majesty] of these pseudo Courts, is totally for your benefit and is intended to invoke fear and intimidation! If you show fear or intimidation, you get a pony ride!

NOTE: I've seen and heard of Judges and Prosecutors interfering with a defendant's response, which made the defendant, become confused and he was subsequently committed into a mental hospital for a psychiatric evaluation. The Judge and Prosecutor successfully twisted what the defendant was trying to say and then the Judge Ordered a mental evaluation.

Understand that the County Attorney will be forced to pay the Cost of Court out of his own pocket, if the case is discharged, so he isn't going to give up that easily and the Judge; Clerk and County Attorney, stand to make a pretty penny off of your conviction and incarceration! So don't screw it up...

If the County Attorney (state prosecutor) begins to act too cocky with you, you can take the wind out of his sails by asking him to produce the 1040 (tax filing) for this case? If he denies the need to do such a thing, inform him that you will be taking care of that for him ASAP [as soon as possible]! He may move for a discharge at that point because you are a little too dangerous or smart! The last thing that Prosecutor wants is the IRS (SARS) examining his files for the last seven years because he makes money on every conviction but he doesn't pay TAXES on them as a Rule! He usually only declares the salary he receives.

Also: Should you accidentally find yourself in a mental hospital; the Psychiatrist who is assigned or appointed to evaluate you is just as corrupt as the Judge; Clerk and County Attorney and he will falsify all of your responses to him, just so that you are recommitted back into the mental facility with a review in six months! So lie to him and deny that you ever made such remarks! Of course, if you accept the criminal charges against your Birth Certificate, then you will instantly be deemed SANE! Sorry that I had to be the one to tell you this but this is how corrupt many of my fellow Judges truly are and it should explain why my conscience caused me to retire early! Before I learned what was really going on; I believed that my duties and performance were entirely Constitutional. I was lied too also!

3) CITATIONS:

The CITATION process can be handled much easier; through the mail. When a Police Officer issues you a CITATION, he is actually requesting you to CONTRACT with him! He is alleging that you violated a corporate regulation in writing, which you have accepted by signing and thus requires you to respond.

The Police Officer is instructed to explain that your signature is merely an acknowledgment that you received a copy of the CITATION but in actuality, your signature is notification to the Court and Judge that you have accepted or CONSENTED to this offer to CONTRACT, which also grants the Judge CONSENT; PERSONAM and SUBJECT MATTER jurisdiction over you and the case! You can cancel that CONTRACT however by rescinding your CONSENT. The Federal Truth in Lending Act provides that any party to a CONTRACT may rescind his CONSENT, within three business days of entering into such a CONTRACT. So across the face of the CITATION you should print or type in large print, the following words: I DO NOT ACCEPT THIS OFFER TO CONTRACT and

I DO NOT CONSENT TO THESE PROCEEDINGS.

Use blue ink [for admiralty] or purple ink [for royalty]. Admiralty is the Court and Royalty represents your Sovereignty. Either way is appropriate. Sign your signature underneath in blue or purple ink and in front of a Notary and under your signature type: Without prejudice, UCC 1-308. This is another way to declare that you may not be held responsible for this Contract pursuant to the Uniform Commercial Code. Serve Cancelled Citation back it on the Clerk / Court, along with a Certificate of Service, by Certified Mail, Return Receipt Requested. This kills the CITATION; removes your CONSENT and removes the JURISDICTION of the Court, all at the same time. It really is that simple!

NOTE: A Certificate of Service is a letter that first identifies the Citation and then defines how and when you returned the document to the Court and is signed. If not denied, it becomes a truth in commerce by Tacit Procuration.

Remember to keep a copy of everything, in case the Clerk attempts to trash your response, which certainly will not happen with a Certificate of Service or if it is mailed back by the Notary. The Notary is actually a Deputy Secretary of State and is more powerful than the Court Clerk!

Public Notaries originate from the time of the Egyptian and Roman Scribes who were the purveyors of certified documents, which are sworn affidavits. Certified documents and sworn affidavits are truth in commerce. [e.g.] Birth Certificates are certified documents on bonded paper. The word bonded is derived from bondage as in slavery, which makes all of us Bond Slaves to whoever retains custody of our original Birth Certificates. I bet you believed that the Emancipation Proclamation freed the slaves and it did for a short time and then the Birth Certificate and the 14th Amendment enslaved us all!

4) SUMMONS and LAWSUITS:

The SUMMONS process, whether it is defined a Civil or Criminal Action, is once again an offer to CONTRACT, despite what words are used to command your appearance or response. It too can be cancelled just by following the same procedure as the CITATION process above. A million dollar lawsuit is no different than a CITATION and both can be cancelled! Hard to believe, isn't it?

Does your lawyer know about this? You bet he does but he is not permitted to embarrass the Court and besides, Court is where he makes his money!

NOTE: How many of you have ever attempted to avoid Jury Duty? All you had to do was cancel the SUMMONS [OFFER to CONTRACT]; Notarise it and mail it back to the

Jury Commissioner. Don't worry, they won't bother you because you are obviously too smart and may influence their Jury! The Jury [controls] the Court and not the Prosecutor and Judge and if you know that, they lose and the defendant wins, which is why they prefer only the dumbed down candidates to serve on a Jury.

There are a few matters or issues that are next to impossible to circumvent or quash because of the depth of corruption within these pseudo Courts, such as child custody and the division of property resulting from a divorce. The Birth State claims the custody of your children pursuant to the Birth Certificate and records them under the Department of Transportation as a State owned Vessel!

A marriage is a CONTRACT and all that is required is a PRE-NUPTIAL AGREEMENT to complete the marriage but if you are sufficiently indoctrinated to believe that a Judge or Mayor or a Minister or Priest, must join you in holy matrimony and you subsequently applied for a LICENSE; now you both have married the STATE as well! Now the State is entitled to its fair share of the division of your marital property should the marriage not work out or should you die [called probate]! Some people might say that a divorce should be included on this list of impossible issues but then they don't know what I know!

5) DIVORCE:

An Action in Divorce is a request to break the LICENSED MARRIAGE CONTRACT. If you desire a divorce and your spouse refuses to consent to a divorce, no State Judge will grant you a Divorce Decree because the Judge has not been granted the CONSENT of both parties! There is a way around this however, which your lawyer will never admit to because he cannot make any money from giving you truthful or sound advice!

NOTE: Puerto Rico is a United States Territory acquired from Spain and it still operates under Spanish Law. This was never changed by the Corporate United States when Puerto Rico became a US Territory, so first you need to fly to Puerto Rico. Once in Puerto Rico, you can establish residency by simply opening a Post Office Box for a period of three days. Just after opening the Post Office Box, hire a local Paralegal to prepare an Action in Divorce for you. The Paralegal will file the divorce petition immediately, which is generally a certified form document and it will be heard by a Puerto Rican Judge within three days.

Under Spanish law, your spouse is not required to be served the divorce petition; only the divorce decree. Five days after the Decree, your former spouse will receive the divorce decree in the mail, written entirely in Spanish, which cannot be contested and must be honoured by all US Federal and State Courts!

NOTE: Immediately after the Puerto Rican Judge declares you divorced, if you choose, you can marry again by Contract or by License. Both are legitimate, but no one will ever tell you that!

The division of marital property and custody of children is a much more complicated issue but at least the divorce cannot be utilized as leverage against you to divide up your property, less than proportionately, which is exactly why American Judges will not bifurcate the issues involved in a divorce. [e.g.] Divorce; division of property; custody; support/alimony. The hope is that your desire to obtain a divorce is worth more to you than anything else you own, now or in the future!

6) FORECLOSURE:

If you are involved in a FORECLOSURE or you are thinking about filing for BANKRUPTCY protection to buy you more time, instead of trying to defeat the corrupt Bank and your Creditors in a State or Federal Court, where the cards are certainly stacked against you, plan to file for BANKRUPTCY and do it this way, too insure that you come out on top!

All BANKRUPTCY FORMS are printable; can be obtained on line and they can be completed in longhand with an ink pen. The Forms to use are: B-1 through and including B-8. You only need to prepare and file the first five or six pages to obtain a Case Number and then you must sit through a Credit Counselling session, which can be done all in a day. When you are completely finished with preparing your petition, you should have filed about 58 pages in total and the filing fee is around \$280.00.

Here's the reason for using the Bankruptcy Courts:

List all your debts on one schedule and when it comes to listing your assets include your BIRTH CERTIFICATE and its CUSIP Number. The value of the Mutual Fund Investment for your Birth Certificate can also be found on line using the CUSIP Number under Fidelity Investments. You will discover that it is worth multi-millions but you must have the CUSIP Number on your asset schedule or the Birth Certificate will be discharged as frivolous by the JUDGE or the TRUSTEE.

The Bankruptcy Judge will then appoint a LAWYER TRUSTEE to dissolve the Mutual Fund Investment; pay off your debts and the balance must be paid to you! This procedure usually attracts the attention of the (DOJ) Department of Justice because they don't want the LAWYER TRUSTEE to screw up and short change the Vatican; the Federal Reserve and the Corporate United States and so they tend to warn or threaten the LAWYER TRUSTEE to be very careful!

Most of these Mutual Fund Investments usually involve a group of between 10 to 25 Birth Certificates and so only a fraction of that Mutual Fund belongs to you! The Bankruptcy Judge will not certify the final disposition until the LAWYER TRUSTEE can prove his math and every aspect of his work because the Judge inherits responsibility for the Trustee's errors, if he made any!

After the first LAWYER TRUSTEE resigns, you can probably cut a deal with the DOJ or you can proceed on with the same Bankruptcy proceeding and the newly appointed LAWYER TRUSTEE! Now isn't that easier and better than attacking or defending yourself against the Bank and a bunch of greedy Creditors; knowing full well that the cards are stacked against you because of the Vatican and the Federal Reserve System?

While you are in Bankruptcy, you are protected. No one can proceed against you for any debts or foreclosure, as long as you have a bond or sufficient assets; the Birth Certificate guarantees that aspect and while in Bankruptcy, you won't have to pay on any of those past debts!

Your debts will eventually be discharged and the balance of the Trust Fund is to go into your pocket! It's a WIN, WIN situation any way you shake it and the Vatican; Government and Bank lose the Trust Fund assets they planned to steal from you all along!

NOTE: There is a process to follow to determine your CUSIP NO [or] you can ask a Stock Broker friend to help you [or] hire a Broker on the side to assist you. There are people in the Patriot movement who also know how to apply the formula, which converts your Birth Registration Number and or Social Security Number into a CUSIP

Number. I paid to have mine done and discovered that I am worth about 167 million. It's all FIAT money but as long as it can be spent, who cares?
I hope that this entire expose' has enlightened and elevated your personal knowledge and will benefit you now and in the future.

Pax vobiscum (Peace be with you).

Notes from Heather on 'debts'

Almost every loan, if not every loan, is fraud... No loan was made. If no loan was made then no debt could lawfully or legally exist. Was a loan made?

In order testably that a loan was made, can you/principal please produce the following:

1. Produce documentation of prior title, ownership and rights to the money you purportedly loaned me;
2. Produce documentation of the history and origin of funds that you/principal purportedly had prior title, ownership and rights to that you purportedly loaned me. It's my comprehension that banking requires 3 generations at least if not all the way back to issuance/creation of the alleged funds and that this is why banks issue a letter of origin/history of funds.
3. Produce documentation of the actual transaction and transfer of said funds (prior title, ownership, and rights) from loaner to borrower (invoicing/receipts) as there is a difference between a "loan" and "debt", conceptually and factually.

Look up the definitions of loan and debt. Look up the difference between statement and invoice...only an invoice has to be paid...however, you would first have to produce documentation as proof that a loan was made.

If I can prove that there was no loan, then each invoice is fraud, mail fraud, etc. and you might be implicated in the commission of enquiry.

Regarding other countries saying the UCC is not applicable to them. The Prime Commercial Registry is broken down into branches internationally like a franchise or department. UCC is one of them, through the Principal Agent Doctrine, UCC 1-103, Any and all state, national, and international equivalents. All were served, noticed, and registered by entering the Prime Commercial Registry from any one of its branches/franchises/departments...OPPT entered in through Washington, D.C. ... in UK...the branch/franchise is London City. And every country has their own...they hide them well....just Google Commercial Code, Commercial Law, Commercial Regulation, to ferret [find] out the particulars for any specific country ...however as stated above it was already lawfully and legally taken through the branch right to the Prime

Commercial Registry and is applicable to each and every branch/franchise/department of that Prime Commercial Registry on the planet.

Heather: You ARE the CVAC...your knowingly, willingly and intentionally BE'ing responsible and liable for all that you DO = value and any specific DO'ing, inclusive of creating a heart repair business, IS, and those you CO-DO or DO for in that business, you are liable to them and them to you as mutually agreed/contracted...if you feel you need a transition tool from that old paradigm of "licensing" under the private corporations that were foreclosed...one option is to REGISTER your business on the COMMERCIAL REGISTRY...BE'ing's as secured party and the "entity" as Debtor party...THEN you can use that registration UCC File No. as the entities "IDENTITY NUMBER" so that people can find it and confirm you BE/DO with full responsibility and liability.

Question: Technically, we shouldn't have to file in court, it's a living soul to living soul interaction. No foreclosed courts needed.

Heather: All private Courts operating under the guise of public courts already foreclosed...they have to establish standing, authority, and law before they can even get to the point of "you are required to come" bit.

Heather: did "they" produce the documentation of their standing, authority, law and the original wet-ink signature accommodation agreement that this guy signed (not).

Heather: OPPT took care of the old stuff...the CN's are you BE'ing and DO'ing responsible and liable without confrontation, with grace. It appears they walk all over you and they hope that you will accept that as truth so that they don't have to answer...what DO you consciously choose...if they DO not answer then they cannot enforce as a matter of law, matter of fact and as a matter of public policy...you cannot stop them from making their free will choice to BE corrupt or ignorant, which are THEIR terms and conditions of offer to contract with you...but you can keep them liable and responsible by giving them your terms and conditions of offer to contract with fee schedules for what it costs them to be corrupt, irresponsible and ignorant, inclusive of failing to produce their standing, authority, law and a an accommodation agreement (that says you agree/belong to a corporation) with your wet-ink signature...give them your terms and conditions and offer to contract with courtesy notice of what was done by OPPT, the one people of the planet...by their own former "legal rules" they lose as a matter of law, fact and public policy that they all brought under UCC.

Heather: They know they can't just take the homes at this point as they had been DO'ing...the best option they concluded they had was to get the people to come into the private courts and consent (albeit unknowingly, unwillingly, and unintentionally) to a revised contract, re-aging of the accounts revised model (that is why purported collection agencies demand that people pay even just five dollars over the phone (no cash) so that they can leverage the value that was just given them) (chuckle) similar

to the TARP and mortgage programs that failed...the beginning of the investigations focused on that sham and the purpose of that...the value from that "program" 700+ billion USD had already been paid out to large fraudulent securities holders CHINA and others so that they wouldn't tell..

Heather: [G]o[ing] in to (foreclosed) private court is consent to their offer to contract and terms and conditions (most tacit aka hidden or presumed without giving notice or transparency)...did they accept your offer to contract? if it is on-going matter, did you cancel the securities they cut/issued from your case? They use your signatures as the underwriting for securities...begin when you open a case or when you answer their complaint. Examples of collapsing the underwriting of the securities, known and unknown:

Heather: This is about responsibility and liability...as a former attorney...we are trained to do "on behalf of"..what they don't tell you is that "on behalf of" establishes the incompetence of the one you are intent on helping...hence, purported judges instance on labelling and recording you as "pro se" and not "pro per"....pro se=appearing on behalf of one's self (FICTION) vs. pro per = appearing as yourself (BE'ing).

Heather: AND who is asking for payment (purported taxes)? Did you require them to produce their standing, authority, law, and the accommodation agreement with your wet-ink signature? They have to show those before they can demand something.

Heather: penal code..criminal code...all codes are private corporate rules operating under the guise of government, unless they can produce documentation of their standing, authority, law and your accommodation agreement with your wet-ink signature...."no one goes to jail without their consent" (from a retired judge).

Heather: Is this about her and her story or is this about her saying to them "what is your standing, authority, law, and the original accommodation agreement with my wet-ink signature?" If they produced any of those documents then you would understand exactly how they got you to unknowingly, unwillingly, and intentionally consent to something you did not have the material facts to...and in the same instance they give you the evidence of their own "crimes" (chuckle)

Heather: ask for identification interview...they cannot lawfully and legally stop or deny any one the right to travel...unless you consent to them doing so.

Heather: your car was still in the system prior to OPPT filings? there was a process to take it out of system (all car titles were held by agents of PTW...WB/IMF/BIS, etc.)...OPPT took care of all that in the filings...Courtesy Notices reference all of that and gives them the terms and conditions to engage with you and your car (chuckle)...

Heather: Send them a courtesy notice with your terms and conditions to contract in order to engage with you...inclusive of condition to produce documentation of their standing, authority, law and original accommodation agreement with your wet-ink signature.

ANALYSIS OF A COUNTRY EMBEZZLED

by ;jeanette-audrey; [triplett]

As an investigative research specialist I have been, for over a decade now, following the money trail so to speak of the who, what, when, where, how, and why crucial elements of America's financial slow death.

This research has not been an easy task but through persistence and perseverance it has been fruitful. With the assistance of many others across America and Canada on this same quest our combined work exposing this devious plan to overthrow the world through financial domination has now been nearly fully exposed, the key players now stand naked before us with nowhere to run and certainly nowhere to hide.

This paper will not provide the reader with all the documented evidence gathered though the years, however, it will provide the pattern exposing the means, method, motive, opportunity and intent of this diabolical event that has left no corner of the

world unaffected.

The reader must understand that it took centuries and generations to get where we are today, which is nearly the peak and grand finale of this attempted one world order. In following a pattern of crime one must always follow the money, This will be explained to the reader how this international theft has converted everything of monetary value into the few and mighty, known as the "Banksters."

Some of the documents read to follow this trail date back to 1199. Others date to 1213, that being the " Magna Carta 1215" "The Privileges and Prerogatives Granted by Their Catholic Majesties to Christopher Columbus April 30, 1492"² also is part of the evidence exposing this worldwide fraud.

Numerous Charters read are dated in the 1600's, including; "The First Charter of Virginia April 10 1606,"

"The Second Virginia Charter 23 May 1609", "The Third Charter of Virginia; March 12, 1611," "The Charter of New England : 1620," "Charter for the Province of Pennsylvania-1681," "Charter of the Corporation of the Bank of England 1694,"³

In 1826 came the Bankruptcy Law which came under "Agriculture".

Additionally, documents dating back to 1863 include the letters to and from The Rothschilds found in "Vindication" and further explained in "A Country Defeated In Victory Part II (see pages 2-6)by James Montgomery."⁴ The letters found in these documents even include the mathematical formula the Rothschild's crafted showing intent and how the bank notes will provide such a great profit no one could resist the investment and those uneducated will bear the brunt of the burden.

Also put into play in 1863 is the First Bank Act, that of which Abraham Lincoln could see what the future held for America and drafted The Lieber Code, also known as General Order 1005. President Lincoln placed the military in charge of Americas real money protecting the assets from the cancerous international bankers spreading to anyone coming in contact with the toxic Rothschilds blood with no antidote but for those blue bloods.

In 1867 The Reconstruction Act was passed placing the country under military authority, to which Andrew Johnson vehemently opposed and drafted his veto.

In 1907, The Corporation Trust Company of America was created as a Delaware Corporation, later amended on April 15th 1930 to The Corporation Trust Company, now omitting the words "of America" as it now

2 h http://avalon.law.yale.edu/subject_menus/15th.asp

3 h http://avalon.law.yale.edu/subject_menus/17th.asp

4 `Vindication', pages 168-179, by Judge Rutherford [and appeared in a St. Louis

Mo. in the 1890's:]

5 THE LIEBER CODE of April 24, 1863 also known as Instructions for the Government of Armies of the United States in the Field, General Order No 100, or Lieber Instructions signed by President Abraham Lincoln had become a worldwide Corporation through which every deed, document, contract and securities is funneled.

.... "To keep and maintain safe deposit vaults and boxes and to take and receive upon deposit for safe keeping and storage stacks, bonds, securities, papers, books and documentary records and personal property of every sort or kind, and to let out vaults, sages and other receptacles.

To promote, reorganize or otherwise assist and afford facilities to any company or companies organized or to be organized under the laws of the State of Delaware or elsewhere and desiring to do business in the State of Delaware and elsewhere, and to act as the agent, trustee or otherwise for and in behalf of such corporation"....

In addition to the above reference documents numerous Congressional Records were also diligently studied to obtain evidence of a pattern of fraud committed worldwide.

Some of those Congressional records are

The Federal Reserve Act of 1913⁷, and Trading with the Enemy Act of 1917

"...On May 23, 1933, Congressman, Louis T. McFadden, brought formal charges against the Board of Governors of the Federal Reserve Bank system, The Comptroller of the Currency and the Secretary of United States Treasury for numerous criminal acts, including but not limited to, CONSPIRACY, FRAUD, UNLAWFUL CONVERSION, AND TREASON.

The petition for Articles of Impeachment as thereafter referred to the Judiciary Committee and has YET TO BE ACTED ON⁹.".....

The U.S. Bankruptcy of 1933 is yet another key in this expose' of international fraud committed by the few elitists claiming all worldly rights.

Also part of this devious plan is The Bankruptcy Act of June 27-28 1934;

"...To amend an Act entitled "An Act to establish a uniform system of bankruptcy throughout the United States", approved July 1, 1898, and Acts amendatory thereof and supplementary thereto.".....¹⁰

June 28, 1934, .Is.3550.1,[Public, No. 486.]

Even further documented evidence supporting the intent of world domination is shown through the Congressional Record of 1940.¹¹ This document shows that the vying parties were the Jewish money changers and the English Colonists, which were explained in greater detail in the Charters listed above.

After 1940 in this intentional chain of events comes the International Organizations Immunities Act of December 9, 1945¹²

In 1946 the United Nations Charter was drafted, but the US Bankruptcy of 1933 shows that that act was done through The UN, which for anyone who can do the math will clearly see was 13 years before the UN existed, further establishing the intent, forethought and malice in the plot to rule the entire world through the Rothschild's International Banks, already indebted to the Vatican, which would now be aiding and abetting as a co conspirator

There are so many documents providing irrefutable evidence of this intent to control the world's wealth by the banks that the reader would become overwhelmed before even getting to the best part of this plot.

Though between 1946 and today, there is just as much evidence to disclose of the continued bank fraud that it would be easier to incorporate in entirety by reference previously entered documents and testimony as public records by those across America who have provided the [courts] additional supporting facts and records but since the courts are acting by/for/with/through/under the banks the cover up that exists is greater than or equal to the initial diabolical plan itself.

The phrase "He who owns the gold makes the rules" certainly applies here. This includes, making, taking, faking and hiding the gold, wherein there is no honour among these thieves.

Now that the plan is exposed by diligently following the paper trail left behind by these careless actors the reader should now turn to definitions employed so deceitfully the average person scans right over the evidence not catching the twisted version of truth right before their eyes. Watch and learn how this is done.

Definitions to pay close attention to, now with a different perspective will be

addressed. Again, the entire Webster's Dictionary could be thrown in here as well as Black's Law Book, but not to confuse the reader only those terms directly relevant to this intentional bank fraud by design will be addressed. However, the readers initiative to delve deeper is urged.

Operative words are; "DEBT" that which is common to nearly all as the plan is to keep one under that immovable boulder. This word is defined in Black's Law Book, Abridged Fifth Edition as;

"DEBT"

"A sum of money due by certain and express agreement. A specified sum of money owing to one person from another, including not only obligation of debtor to pay but right of creditor to receive and enforce payment. Bankruptcy Act § 101 (11)."

Note this refers back to the Bankruptcy Act. This Act placed the American people as the Creditors, and the United States as the Obligor, the debtor,. It was established that Americans signatures were to be used as credit,

BUT,. the other side of the coin is that the United States and their Trustees, were to charge off ALL debts. As in any bankruptcy.

What in fact has occurred instead, is, the thievery through fraudulent securitization of Americans and all other countries people (See Corporation Trust Company) by use of the peoples signatures, but not charging off the debt.

For example, when paying utility bills now employing the newly discovered extrinsic evidence, it is clearly obvious to anyone that a utility bill is sent to the individual, who then either writes a check, or pays the "bill" in Federal Reserve Notes (See the Letters to/from The Rothschild's). Now the utility company takes that "Note", and converts it into a "Convertible Debt"

"Convertible Debt"

"Debt which may be changed or converted by creditor into another form of security, e.g. Shares of stock."

This now shows that after paying one's utility "bill" with nothing more than another debt, the utility company has now converted the Corporation into the Creditor, and the person paying the "bill" is now unknowingly becoming the debtor, but the Comptroller of the Currency, The US Treasury and the United States as the Obligor have not charged off any of the debt, but rather reinvested into their own private Corporations for municipal bonds and grants etc, dealing those profits out to themselves, after fraudulently converting and stealing from the people who are, in fact, the Creditors of the US Bankruptcy of 1933, and whom Abraham Lincoln protected by drafting The Lieber Code.

This is how the theft of Americas wealth is being committed right under everyone's nose and right before their eyes. Additionally found in Black's Law under "Debt"

"Fraudulent Debt"

"Fraudulent Debt"

"A debt created by fraud. Such a debt implies confidence and deception. It implies that it arose out of a contract, express or implied, and that fraudulent practices were employed by the debtor, by which the creditor was defrauded."

Again, this is clearly explained above, however the reader should be grasping this intentional fraud and becoming aware how this has been played against anyone ever paying any utility bill in America. Utilities, by the way include; water, sewer, electricity, telephone, and department of transportation.

In order for these thieving International, National, Federal, local or subsidiary banks to access the true Creditors, that being the people of America, and this does apply around the world as well, this twisted truth by intentional fraud is so blatant and egregiously committed that even the local police and or sheriff departments are oblivious to the crimes committed using them as enforcers of and co conspirators in this racketeering operation, a design crafted originally by the Rothschild's, and their banks including key players not limited to Federal Reserve Banks and JP Morgan, Prescott Bush, Union Bank, to name a few employing all the utility companies as the partners in crime, before, during and after the fact, committing and partaking in

"Funded Debts"

"Funded Debts"

"Debt represented by bonds or other securities".

Utility companies fraudulently receive what the utility customer believed to have been a payment for services provided, but it was all actually a fraud committed by the utility company turning the true creditor into a debtor through fraudulent means, then cashing in the "Notes" for "real money", then further yet fraudulently pocketing those ill gotten gains deeper into their Corporation fraudulently converting into and obtaining bonds, which may include municipal bonds for developments, further placing the American people (and other countries people) into debt upon moving into such buildings now considered "The Debtor in Possession."

This entire devious plan is so well orchestrated as the Rothschild's explained so much money was to be made the average people wouldn't understand but bear the brunt of the burden as defined pages 2-6 in "13"

The definition of "Debt" now takes the reader to "Debenture"

"Debenture"

"A promissory note or bond backed by the general credit of a corporation and usually not secured by a mortgage or lien on any specific property.

Certificate issued by customs to an importer for the deduction or refund of duties on merchandise imported and then exported by such importer."

This then defines "Convertible Debenture"

"Convertible Debenture"

"Debenture which may be changed or converted into some other security (e.g. stock) usually at the option of the holder."

13 A Country Defeated in Victory Part II

The reader should easily follow this deceitful trail now clearly seeing the path of destruction left behind these bankers and every utility company, fraudulently turning every American, and all the people around the world into a "Debtor," themselves into the "Creditor" and fraudulently converting Americans and all the other countries assets into liabilities with the bankers intent to own the world through debt.

Take this another step further. All licenses that Americans are "ordered" to have are also based on this US Bankruptcy Act of 1933 that was designed to rob the people. However, licenses were another way to securitize on the people's signatures, as are any credit cards the reader my own, again, the debts were to be discharged but have been fraudulently converted into private corporate stocks, bonds, securities and other profits, then underhandedly shifted into other unsuspecting countries to commit the same as a perpetual Ponzi scheme that has no beginning or end, the Alpha-Omega of all crimes against mankind, that is until the second coming of Christ, for which this author awaits anxiously.

This expose' isn't through yet. The reader may now employ all of this newly discovered evidence, hopefully explained to a clear level of understanding, incorporating this same game of securitization fraud, but now overlay it over the judicial system.

Every single court across this country is a co-conspirator to this sinister crime of perpetuity. How so one might ask? Federal judges are signing standing orders to invest all the court cases through the Court Registry Investment System, directly deposited into the Federal Reserve Bank located in Dallas/Houston, Texas.

Every court case is assigned, by the court administrator, a US Treasury Public Debt number, placed onto the court document, including but not limited to traffic citations, after the unknowing participants in the case have received their copy of the same, but without the added monetary transformation of that instrument into a financial transaction, which is the definition of a securitization.

After the Public Debt number is obtained, which now converts the instrument into a counterfeit obligation pursuant to USC TITLE 18 § 472 et seq.473;474;, now the court administrator additionally counterfeits the same obligation by adding a CUSIP© number.

CUSIP© is the acronym for Committee on Uniform Securities Identification Procedures. It is a copyrighted registered trademark of The American Bankers Association. This means only one of two things. Firstly being the court administrators are knowingly committing copyright infringement violations in addition to uttering counterfeit obligations, and/or secondly that the court administrator must obviously be a member of the CUSIP©.

Now the courts have fraudulently converted every court case into a banking financial securities instrument, fraudulently converting the court into the creditor position and the respondent/plaintiff in the matter now unknowingly converted into the debtor. To make matters even worse for the judges, they are acting with a vested interest with insider knowledge as insider trading in addition to violations of judicial canons.

Further still, judges are to act without bias, to make rulings on the merit of argument, but instead are making financial investments on every case, knowing the exact meaning of every number and/letter applied to and now written on the face of the instrument in all cases in the form of the CUSIP© and are now ruling based on futures rather than rule of law, evidence, oral or written argument.

Additionally, the courts are also committing tax fraud by shifting the debt created by every particular case back onto the individual who is the actual Creditor, then fraudulently conveying the case into an investment instrument to be deposited into the Dallas Houston Texas Federal Reserve which now shifts money from the Creditor side of the transaction into the pockets of the Debtors side, deceptively laundered now as a fraudulent debt into Corporate assets, converted again into bonds, stocks, and grants given back to the county deceptively through the Department of Transportation now squeaky clean after the laundry process. (Please refer to "Debenture," "Convertible Debenture" and all the other definitions listed above.)

This "Analysis of a Country Embezzled" is but only a summarized version so as not to burden the reader with centuries of skilfully drafted plans and other devious activities of the Banks that even Abraham Lincoln acted to protect us from paying the ultimate price as a result.

The reader should take the initiative to research all the key utility companies. For gas and electricity, start with ENRON. For telecommunications, start with ENRON. For wind and turbine, start with ENRON.

Bear in mind the reader should also follow the judicial fraud deep into the federation of county state municipal employees. This is a union dues paid membership union that includes correctional facilities. This goes clear into The Federal Prison Industry Inc, dba as UNICOR.

When researching UNICOR, start with ENRON, end with Halliburton. The reader may

choose to cross reference some of the Clinton's numerous entities found in Delaware, where one may find the missing 16 metric tons of gold that inadvertently was "redirected" en route to China, mistakenly replaced with tungsten, another fraudulent conveyance from the actual Creditors the American people, the Debtors, that being the banks, federal employees pursuant to section 3 of the 14th amendment as Trustees, and other county, state, city and other government are now wrongfully in possession.

The intent of this article is to show the reader how to follow the evidence of the crimes perpetrated against the American people beginning with the International Bankers who slyly infiltrated this country via England by/through drafting treasonous legislation to take that which is not theirs.

There is no statute of limitations on fraud. And the second coming of the Messiah is closer than one thinks.
