## Possible Relationships

**Our comprehensive search of public records for this information yielded no results**

Many states do not consider this information a matter of public record, and therefore this data may not appear in the report.

We refresh our database every 24 hours in order to provide the most accurate and up-to-date records. Any new information will automatically be added to the report.

## Possible Criminal History

Our criminal history database compiles citation, arrest, and criminal records from jurisdictions across the country. Each county has its own processes and procedures regarding the release of criminal history information and how much of it is available through their databases.

*Please note: These records are maintained and published by government agencies, and therefore may not be comprehensive or fully accurate. This information should be used wisely and as a starting point for your own due diligence and investigation.*
