The Salem Hunting Club Points System

New Members must work their hours the first year

Membership points may be earned by any of the following methods:

- Attending the monthly membership meetings – ½ point each.
- Any work done for the club – 1 point per hour.
- Other points may be earned by various means that the membership approves (votes) at any regular meeting. Example – selling a certain amount of raffle tickets

Each member must earn ten (10) points by Nov. 30th each year or pay \$15.00 per unearned point at the end of the club's fiscal year.

Members that are not required to earn the Ten (10) points are as follows:
Life Members, Honorary Member, Comped Members, Club Officers

There are two (2) ways to qualify as a life member:

- To be voted a life member by the club's membership.
- Your years of age + years membership = ninety (90) or more.

Any member unable to earn his/her points because of bad health or circumstances beyond their control will not be held accountable for the required points. The Board will review these cases individually and decide whether the circumstances are justified.

It is the responsibility of each member to report to the Points Officer all points earned and how they were earned. Points are to be earned by the end of the club's fiscal year.

A pro-rated system is used for new members joining other than at the beginning of the fiscal year.

- 1 (one) point required per month left in the fiscal year.

*** Any member failing to accumulate the required points or failing to pay the \$15.00 per unearned point in the year will lose his/her membership.**

**A detailed outline of the Range Rules will be given to members.
Below are some of the things you should be aware of.**

If you have any questions, please contact a club officer.

Club House: The Club House is available to members for private functions as long as there are no scheduling conflicts with club business. Contact the club president to reserve it.

Sanctioned Shoots: On days of sanctioned shoots the ranges are closed for set up prior to and during the shoot. Please consider this when planning a trip to the range. Consult the club calendar and plan accordingly.

Rifle Range:

Put out the orange flag when going down range. This designates a cold range. Firearms shall be unloaded and removed from the benches while people are down range. Don't leave the flag on the range when you're leaving for the day. Don't walk behind the 100 yd. backstop. Stay in front of it so you can be seen when down range.

Be certain to place your target on the rails so that you won't be shooting the vertical posts and to minimize the chance of hitting the horizontal rails.

Spring clamps should be used to place your cardboard on the horizontal rails. Staples may only be used for attaching your target to the cardboard. The Club isn't required to supply cardboard but often you will find some available. Check inside the Rifle Shed if needed.

Pistols are permitted on the rifle range, especially if you want to shoot 25 yards or more. **You may not shoot from the grass with a pistol when people shooting from the bench are using the rifle range.** If you want to shoot a pistol less than 25 yds, use the Pistol Range if it's available.

* Should you break a rail, there may be materials on hand to replace / repair the rail. Please do so.

Pistol Range:

No rifles of any kind may be used there.
High powered handguns that will damage the backstop should be shot at the rifle range.

Trap Range:

You may use your own thrower to practice. Be sure to shoot towards the tree line and away from the road to the east.
