

Keeping you safe at Carers Northumberland All you need to know

How do we keep you safe?

At Carers Northumberland we all think that your health and safety and wellbeing are really important. We respect you and want to keep you safe. We try to provide a safe environment for you, We want you to be safe at school, home and with us. If you need to talk we will listen, we think its important for you to know how to get help...

If you are worried about another child or need help for yourself please speak to a member of our staff team, you can call us on 01670 320025 or email youngcarers@carersnorthumberland.org.uk
