

Thank you

FROM ALL OF US AT

Test-Taking Solution™
Foundation

WE APPRECIATE YOUR GENEROSITY AND SUPPORT
OF OUR PROGRAMS!

- **AFTERSCHOOL TUTORING PROGRAM** - Students visit the Center or join our tutors virtually for tutoring, test prep, or help with school assignments. \$125 sponsors a child for one month. Visit anytime Tues-Thurs, 3-6PM to see your donation at work.
- **COMMUNITY ENGAGEMENT PROGRAM** - We sponsor community events and host *The Literacy Hour* - a radio talk show heard on WMPR 90.1 FM on Tuesdays from 7-8AM. It's a great way to advertise your company. Call our office about attractive sponsorship packages and/or to be a guest on the show.
- **SUMMER ENRICHMENT PROGRAM** - It's our Afterschool Program on steroids! Complete with academic enrichment, nutritious meals, field trips, and scientific-based adventures, it takes place every June and July. \$130 secures a spot for one student.
- **RECREATION & FITNESS PROGRAM** - To accommodate the tremendous growth we've experienced, we're building an Activity Center, and we still need your help. Visit our GoFundMe page for more information: <https://gofund.me/7c77b7f4>.
- **WORKFORCE DEVELOPMENT PROGRAM** - We assist with completion of applications, including job and grant applications. We provide access to trainings and professional development resources and prepare community members for gainful employment in a recognized occupation.

THANK YOU FOR SUPPORTING US ON
