March 2020 Backpack Ministry Update

Our source for relatively low cost shelf stable white milk (Natrel) is no longer available. Ingles was informed that they would need to order a truck load so they decided not to carry it. We've contacted other vendors and were told the same thing. We like to include milk because of the high protein content, but we are hesitant to spend \$1.00 or higher per 8 oz. container with a different brand. The Hershey's shelf stable chocolate milk is still easily obtainable at a decent price, but for some reason the white milk is not. Stay tuned.....

If any of you wish to help pack the backpack food, please join us at 9 a.m. on Thursdays at the Laurens 55 District Office. Please contact Connie Daniels if you have any questions, comments or suggestions. Thank you for your donations and prayers for the Backpack Ministry.
