

Re: Jason Salvatore Gulotta

Dear Sir or Madam:

I am writing this reference at the request of Jason Salvatore Gulotta.

I have known Jason for the past fifteen years, ten of which we spent together in Hollywood, before I moved in my current position as the Program Coordinator for Film & Television at Pacific Union College. During the ten years we spent together, Jason and I worked on multiple film projects which I was involved as a writer and producer. The passion and energy that Jason brought to set, energized everyone that he worked with and he truly was a professional actor in every sense of the work. Jason is one of those individuals that was born to be an artist and has invested his life into the discipline.

Additionally, during our time together, we began an Artists Workshop that helped foster writers and actors in the area. This weekly workshop for 10-20 students gave me the opportunity to see Jason work with his peers, to help others grow in their skillset. During this time, I got to see Jason's love for helping others, as he began to fine tune his teaching skills.

For these reasons, I would highly recommend Jason as an addition to your organization. If the passion and professionalism I have seen from him, along with his desire to help other grow, is any indication – I believe he will be an stellar addition to your organization. If you should ever need any additional information, you can feel free to contact me rsigamoney@puc.edu anytime.

Sincerely,

Rajeev Sigamoney
Program Coordinator for Film & TV
