

2020

My name is Dennis Garcia and I am writing this letter on behalf of Mr. Jasen Salvatore Gulotta. I have known Jasen for over ten years and I have worked with him on a few projects within that time. Jasen has a prodigious knowledge of contemporary and classical theatre accompanied with an exceptional work ethic. He's also an extraordinary teacher when it comes to coaching actors. I have been the recipient of his coaching and as result I have booked several roles because of his insight. Most notably a play entitled, "Always and Forever" which ran at the Ford Theatre and a national Budweiser commercial which was directed by critically acclaimed director Mark Pellington. Furthermore, I would also like to point out Jasen's passion for the arts. As cliché as it may sound, Jasen is the epitome of a true artist. In an age when people from all over the world move to Hollywood to pursue fortune and fame; Jasen is certainly an exception to this norm. He has devoted himself to his craft and is constantly evolving as an artist.

Sincerely, Dennis Garcia.
