A Time to Plan for the Rest of 2022

2022 has been a fun time with a number of activities to date. Remember the Girls Day in February? Thanks to Janice Rearick and her team, that was a huge success. The photos tell the story. Then Kathy Howitt, Bev Mautner joined the Air Race Classic Start Committee, chaired by myself, to host the ARC 2022 in Lakeland in June. Cathi Galati did a terrific job to sell our chapter merchandise as a fund raiser for future events and scholarships. It was a huge success. And we remember the fun time at SE Section Meeting in May in West Palm Beach. Arg!!

Fall 2022 will be busy, too. There is the flight training scholarship with applications due in October, and the SE Section Meeting in October in Knoxville, TN.

Come join us at the next chapter meeting - Sept. 10 at 10 am in the Sebring Terminal Conference Room.

Girls Day at Sebring Airport-Feb. 2022

Bev Mautner at the Simulators, Vikki Greenleaf speaking on the principles of flight, and two of the emergency helicopter pilots based at Sebring. Such fun!
