Fieldend News

Thanks to everyone who attended the AGM, we'll be moving ahead with the items discussed over the next year, including the charging for electric vehicles. In the meantime, may we ask residents to take precautions to secure their garages, either by blocking the doors with their cars or fitting extra security. Garage theft tends to be opportunistic rather than targeted, and thieves are less likely to come back if there are fewer rich pickings.

GARDEN TIDY DAY

Please join in the tidy day on Saturday 27th March from 10am. The triangle has been cleared but we now need to cut back the shrubs by the garages. The play area needs some TLC - the play

equipment could do with a clean, if anyone can bring a pressure washer? The climbing frame needs a repaint and some repair. Finally the grass is more mud than grass and could with reseeding. Please come along and help.

PAINTING

Mark Tullet will be returning to Fieldend from March 22nd to continue the repaint in a Covid-safe manner.

Thanks

Thanks to Ray and Shaun for fixing the trellis on the perimeter road, and to everyone who has helped keep our spirits up by decorating Fieldend with fairy lights.

Diary Dates

Plagues permitting, the Fieldend Summer Party will take place on 10th July, and we will hopefully be having another performance from Luca's band on 22nd May.

Welcome

Welcome to Fieldend to Dan and Barbara (45), Carolyn and Derek (3) and David and Janette (14WP).

Goodbye Joyce

Fieldend recently said our sad farewells to Joyce Jacques. The moving tributes from her family at Joyce's funeral included her love of Fieldend and the support and friendship it had given to her and her family. She especially loved bonfire night, the concerts and, of course, her daily perambulation around the estate - always smart and wearing her lippy. Joyce and David bought Fieldend's initial show home, making her an original Fieldender who will be fondly remembered and very much missed. We send our best wishes and condolences to her family.
